On hybrids, their habit, food, way of life, and relationship with the Grays

Questions:
Note: Questions asked by Elvira Panayotti.

- Do hybrids eat like us?
- What kind of food do they eat?
- Where do they eat? Do they have dinning rooms?
- Do they follow any ritual?
- Do they eat human food or alien food?
- Where do they sleep?
- Do they have beds?
- I was told they play with toys like our children do. Is it true?
- What kind of toys they have?
- Is it true some were adopted by military families?

Answer of Anunnaki Sinhar Inannaschamra: 1. Hybrids live only on Planet Earth.

- 2. Hybrids habitats are found in isolated areas on Earth and underwater.
- 3. Hybrids are under the direct control of the Grays.
- 4. The Anunnaki have no relation and no contact with Hybrids.
- 5. Some Anunnaki Sinhars have visited the underwater bases of the hybrids.
- 6. Upon visiting the underwater bases, the Anunnaki pass through a tunnel-lock that is safe for both water and air.
- 7. The Grays as well as visitors enter a huge, hangar-like room. This is the main entrance of the base.

 8. The rooms are of beige and gray colors, all metal and have no windows.
 9. The rooms are huge, and are used for different kinds of operations.
 10. You could call them hellish laboratories.
 11. Visitors walk to a solid wall, put their hands on it. The wall shimmers a little and then moves, allowing a door to form and open.
 12. The door will take you to a long corridor, illuminated by stark, white light, with many regular doors on each side.
 13. Some other corridors lead you to a large room, a kind of a refectory which contains extremely long tables, all made of metal.
 14. The room is usually painted entirely in beige. The room is filled with tables, and chairs. It is scrupulously clean.
 15. When the tables open up, each table reveals a deep groove on each of its long sides.
 16. Plates of what seemed to be normal human food are released from the grooves, and placed each before a chair.
 17. At this moment, a few doors open at various parts of the room, and from each door an orderly file of children come in and settle at the table.
 18. The hybrids are always and completely silent, not a word is heard. They don’t talk to each other while eating.
 19. They pick up their forks and began to eat, exactly as humans do.
 20. The children ages range from six to twelve.
 21. On one hand, they are small and fragile. On the other hand, their eyes give the impression of almost old age.
 22. They are wise beyond their tender years.
 23. Their hair is thin.

 24. Their skin is pale to gray.
 25. They all wear white clothes of extreme cleanliness.
 26. Despite these similarities, which make them look as if they were all related to each other, there are differences between them that are fundamental.
 27. They are divided into three distinct groups.
 28. The three groups consist: a- Early-stage hybrids, b- Middle-stage hybrids, c- Late-stage hybrids.
 29. The first group is born from the first combination of abductees' and Grays' DNA. They closely resemble the Grays.
 30. The grayish color is very close to that of the Grays, and so is the facial structure.
 31. The second group, the middle-stage hybrids, are the result of mating between these early-stage ones, once they are old enough for reproduction, and human abductees.
 32. The resulting DNA is closer to humans, and so they look much more like humans, and many of them lose the progeria gene.
 33. The third group, the late-stage hybrid, is the most important. Middle-stage hybrids are mated with humans to create them, and they can hardly be distinguished from humans.
 34. However, it is easy to recognize the late-stagers, but there are not too many of them here.
 35. A large number of these hybrids, who represent the most successful results of the experiments, are placed for adoption with human families.
 36. The human families are always aware of the origin of their adopted hybrid children.
 37. Generally, they are adopted by a high-ranking United States military man or woman, who had worked, or still works, with aliens, in secret military bases.
 38. This happens much more often than most people suspect.

- 39. The spouse of the military person may or may not know, depending on circumstances and character traits.
- 40. These lucky hybrids lead a much better life than whose who are raised in places like this one, communally.
- 41. In their underwater habitats, hybrid children are not treated badly by the Grays.
- 42. The Grays don’t want to lose them, they are too valuable to them.
- 43. But they receive no love, no individual attention, there is no real parenting, and the environment is barren and depressing.
- 44. They live peacefully until they are old enough to be of use in the experiments. Not a very nice life for any child.
- 45. Only the hybrids who are entirely free of progeria are adopted by human families.
- 46. Many of the progeria stricken late-stagers are killed, since their progeria gene is too strong.
- 47. The Grays believe the hybrid children somehow will save their civilization. But they are doomed.
- 48. The children finish eating in complete silence. Each child, as he or she finishes his meal, leans back into the chair, and as soon as all of them are leaning back, the groove from which the plates came, opens up, and re-absorbs all the plates.
- 49. Plates and dishes go to an automatic dishwashing machine, on two rows of metallic belts.
- 50. The hybrid children get up, and leave the dismal room in the same file arrangement they came in.
- 51. As soon as the room is empty, large vacuum cleaners emerge from the wall and suck up every crumb, every piece of debris.
- 52. Then they spray the tables and floor with a liquid that smells like a disinfectant. The room is once again

spotless, and ready for the next sad, depressing meal.

- 53. Their dormitories look like a place that you can describe as a combination of an old-fashioned orphanage and military barracks on Earth.
- 54. The dormitory is always a very large room, but the ceiling is not high, only about twelve feet.
- 55. Again, everything is beige and gray, and there are no windows to relieve the monotony.
- 56. The room is full of beds, arranged above each other in groups of three, like in a submarine.
- 57. Dozens and dozens of such rows stretch to a very long distance.
- 58. The beds are made of metal, very smooth, and of silver-gray color. They are assembled like your prefab furniture.
- 59. The beds which are stacked on the top of each other have no ladders.
- 60. To reach the upper levels, the hybrid children levitate.
- 61. Part of each bed is magnetic, so each child can have his or her toys attached to it. As for the lower beds, the toys are stored next to them.
- 62. The Grays have discovered that mental stimulation is highly important to the hybrids' development. There are plenty of other activities, mostly with abductees, that relieve their lives of the tedium, at least to a certain extent, but they have no privacy at all.
- 63. The hybrid children only get their own room when they are more mature, but they have one thing that pleases them. If the children want to, they can put their things in their bed, close the bed with a panel, and hide them inside a wall. They like that.
- 64. Their feelings and emotional climate are not exactly human.
- 65. The playground of hybrid children is located directly behind the dormitory. It is really a glass bubble.

- 66. The hybrid children usually sit on the floor of the bubble. The floor is made from sand.
- 67. The children play with normal human toys – trucks, cars, trains, and multi colored buckets. They love to fill the buckets with sand, using plastic trowels that usually you see on your beaches.
- 68. They also build tunnels from the sand, wetting it with water from large containers that stood here and there.
- 69. They seem to be enjoying their games, certainly concentrating on them, but their demeanor remain quiet and subdued, and they do not engage in the laughter, screaming, yelling, or fighting that human children of this age usually produce.
- 70. They also have rooms with climbing equipment, and places to play ball. It is needed to strengthen their bones and muscles.

Statements by Anati:

Author's note: Ambar Anati who has visited the children hybrids said:

"I approached the children, a little apprehensively, worrying that I might frighten the poor things.
They looked up at me, seemingly waiting for me to do something but I was pleased to realize that they were not afraid.

I sat on the sand, took some stones that were scattered around, and arranged them so that they created a little road.

The children stared at me for a minute with their strange, wise eyes, as if trying to read my thoughts, and almost instantly grasped the idea and continued to build the road together. None of them smiled, but they seemed very much engaged in the new activity. Once all the stones were used, they looked at me again, as if trying to absorb information, and sure enough, after a minute they took the trucks and make them travel on the little road. I got up and let them play.

“So they can read minds,” I said to Sinhar Inannaschamra.

“To an extent,” she said. “At this age, they basically just absorb images you project. You probably thought about the trucks going on this road, and they saw it.”

“And everything was done together, as if they were mentally connected,” I said. “Do they do everything together?”

“Yes, everything is communal, even the bathrooms where they clean themselves. But don’t be too upset about it. If they are separated from each other before their adolescence, they are extremely upset. It is almost as if the onset of puberty makes them an individual, and before that they have a group mentality.” “They are not unhappy,” said Sinhar Inannaschamra. “Only as adolescents, when they break off the communal mind, they understand how unhappy they are.
But we will visit the adolescents on another occasion.”

On the Grays’ fetuses storage room

Questions:

- How the Grays store fetuses?
- Is there a special room for this?
- Is this room located in secret military bases as many abductees have reported?

The answer of the Anunnaki Ulema.
Sinhar Inannaschamra said:

- 1. The fetuses storage room is a hangar-sized room, full of tanks.
- 2. Each tank contains liquid nutrients.
- 3. This is where they put the fetuses, as soon as they are removed from the abductees.
- 4. The tanks are arranged in order, from the youngest fetuses to those that are almost ready to be removed.
- 5. They separate them into their stages.
- 6. This room is for early stagers only.
- 7. In other rooms, they have the middle stagers. But the late stagers remain in the mother’s womb until birth, to make them as close to humans as possible.
- 8. The babies are quiet, not as responsive as human babies. Many of them die as soon as they are removed from the tank.
- 9. The babies who survive are generally mentally well developed, physically weak, and emotionally subdued.”
- 10. Both Grays and abductees take care of them.
- 11. Always, the Grays perform most of the physical requirements, but the abductees supply the human touch.

32. Do the Anunnaki believe in God?

Question:

- Since the Anunnaki have created us, I assume that the Anunnaki playing the role of the God creator, would not believe in a God? Correct?

Answer of the Anunnaki:
Dialogue between Sinhar Marduchk and Sinhar Ambar Anati:
Ambar Anati asked: “It seems to me, that even though you are so much more sophisticated than the humans, the fact that you deny the existence of God may have deprived you of your ethics, after all.”
“Deny God? What makes you think we deny God?” asked Marduchk. He seemed genuinely surprised. “Marduchk, you have told me, more than once, that the Anunnaki created the human race, not God. So where is God if He is not the Creator? Your statements are contradictory.”
“Not at all,” said Marduchk. “The Anunnaki view of God is similar to human religions in many ways, but contains much more information. The term we use to describe God is ‘All That Is.’

To the Anunnaki, God is made of inexhaustible mental energy, and contains all creation within Itself, therefore representing a gestalt of everything that has existed, exists now, or will exist in the future, and that includes all beings,

all known universes, and all events and phenomena. God's dearest wish is to share in the lives of all Its creations, learn and experience with them, but while they are imperfect, God Itself is perfect, which is why It can only be seen as a gestalt."
"Why are you calling God *It*?" I asked.
"Because we do not attribute gender to God."
"I see," I said. "So in essence, the Anunnaki God is not all that different from ours. What else should I know?"
"It is possible that other primary energy gestalts existed before God came into being, and actually created It.
If so, then the possibility exists that there are many Gods, all engaged in magnificent creativity within their own domains. We are not certain if that is so, but we do not dismiss this beautiful possibility."

"That is vastly different from human thought," I said, meditating. "But how does it tie up with the life and death issues, and with the fact that you have created us?"
"The individuals that exist within God, though part of God, have free will and self-determination. In life and in death, each is a part of God and also a complete and separate individual that will never lose its identity.
The Anunnaki are indeed the creators of human beings, but since each Anunnaki is a part of God, there is no conflict in the idea of their creation of humanity. Creation is endless and on-going, and human beings, in their turn, create as well – for example, great art, literature, and service to other people, animals, and the planet Earth – though they do not exactly create life as yet. We are all part of the grand gestalt, and that makes All That Is such an apt name for God."

Do the Anunnaki stay in touch with us?

Questions:

- Are the Anunnaki still communicating with us?
- How do they communicate with us?
- Can we communicate directly with the Anunnaki?
- Are these people who say they are channelers and receive messages from the Anunnaki, are they for real?
- Why can't I talk directly to the Anunnaki?

Answer of the Anunnaki-Ulema.
Sinhar Marduchk said:

- 1. Before leaving you, we have activated in your cells the infinitesimally invisible multi-microscopic gene of An-Hayya'h**.**
- 2. I will explain to you how it is all connected.
- 3. It was implanted in your organism and it became a vital component of your DNA.
- 4. Not all humans are yet aware of this, as they were not aware of the existence of their DNA for thousands of years.
- 5. As your medicine, science and technology advance, you will be able, some day, to discover that miniscule, invisible, undetectable An-Hayya'h molecule, exactly as you have discovered your DNA.
- 6. An-Hayya'h cell (Molecule) is not yet detected in your laboratories.
- 7. It is way beyond your reach and your comprehension. It is extremely powerful, because it is the very source of your existence.

- 8. Through An-Hayya’h**,** we remained in touch with you, even though you are not aware of it.
- 9. It is linked directly to a ‘Conduit’ and to a ‘Miraya’ (Monitor, or mirror) on Nibiru.
- 10. Every single human being on Earth is linked to the outer-world of the Anunnaki through An-Hayya’h. And it is faster than the speed of light.
- 11. It reaches the Anunnaki through ‘Ba’abs’ (star gates).
- 12. It travels the universe and reaches the ‘Miraya’ of the Anunnaki through the Conduit, which was integrated in your genes and your cerebral cells by the Anunnaki some 65,000 years ago.
- 13. The Anunnaki receive the content of a Conduit through the ‘Miraya’ which we have created to function with the Conduit and the An-Hayya’h, even though we felt that you do not deserve it.
- 14. The Anunnaki have been watching you, monitoring your activities, listening to your voices, witnessing your wars, brutality, greed and indifference toward each others for centuries. We did not interfere, at least not very much.
- 15. You can’t communicate directly with the Anunnaki. There is no reason to. You already have teachers on Earth who will guide you toward the ascension.
- 16. Only the Mounawariin (Enlightened Masters) can reach the Anunnaki.
- 17. Channeling is not the way to communicate with the Anunnaki.
- 18. Meditation is not the way to communicate with the Anunnaki.
- 19. No human being can ever send or receive messages to and from the Anunnaki.
- 20. In the future, humanity will be able to reach the Anunnaki, once the Ba’abs are open, and the Conduit is activated in the brain’s cells of the humans.

- 21. Humanity will be united with a higher level of awareness, once it frees itself from greed, violence, and its attachment to materialistic values.
- 22. Even the most advanced scientific minds on your planet would never be able to send messages to the Anunnaki, nor receive any communication from us.
- 24. Your technology is still rudimentary.
- 25. Those who have claimed that they have received messages from the Anunnaki, and from other galactic civilizations are perturbed, and confused.
- 26. Galactic civilizations do not contact individuals on Earth. If a message is to be sent, and if a contact is to be initiated, the galactic civilization will effectuate the contact and the message on a global scale.
- 27. The whole humanity will become aware of the galactic message and communication, and not only one single individual.
- 28. Messages and communications from civilizations beyond your solar system will be sent to Earth through scientific means and methods.
- 29. Only science would allow you to reach other galactic civilizations.

On the crash of a UFO in Roswell as recorded on the Anunnaki's Miraya

Questions:

- Did the military capture aliens when the UFO crashed in Roswell?
- Did the United States government negotiate a deal with the aliens?
- Did the Anunnaki know anything about the crash?
- Did the military find out where the aliens came from?
- Did the captured aliens die in a military base?
- If they did not die, where are they now?

Master Sorenstein said:

- 1. In 1947, a Grays' spacecraft crashed on an American soil.
- 2. Two Grays died from the impact, but one survived.
- 3. The Americans held him underground at Andrew Air Force Base. Strangely enough, a sort of friendship was developed between the Gray and two American civilian scientists, despite the fact, that the Grays don't usually show any emotion. They are much like a hive mentality, insects.
- 4. The Americans were only interested in acquiring advanced military weapon systems, not in a friendship with an alien. But somehow they became friends.
- 5. At that time, the American military kept everything under cover and did not inform even the Congress or the President of the United States.
- 6. One general actually said, 'Civilians and politicians come and go. But we, the military, that is our career. Therefore, they should not be informed and if the

Congress will not be told, consequently the American public should not be told either.’ That was the policy that was adopted on a regular basis ever since.

- 7. The Anunnaki who have monitored the crash, recorded it on their Miraya.
- 8. The Miraya recorded all the sequences and what followed. Here is one of the first conversations between the surviving Gray and the two American scientists.
- 9. Two men and a Gray sat around an empty desk. They seemed comfortable, there was no tension that you would expect in such a company. Then, the sound came from the Miraya.
- 10. One of the American scientists asked the Gray: “Where did you come from, and why are you here?”
- 11. “We have been here for thousands of years, sir,” said the Gray, in perfect English, though his voice had the usual scratchy sound of his race. “We have our bases underwater, in the Pacific, near Puerto Rico, and under Alaska’s glaciers.”

12. The conversation continues:

“Thousands of years?”

“That is so.

We consider ourselves the first and the legitimate inhabitants and owners of the Earth. You are not.

We are here because we need natural resources that exist on the surface of the Earth and in the oceans.”

“Seems to me this is not all you need, buddy,” said the other scientist, grinning and lighting a cigarette.

“This is true. We also need some live organisms, and various substances we can extract from human bodies.”

“And did you get all you want?” asked the first scientist.

“Yes, by and large. We need them on a constant basis,” said the Gray. “The natural resources of the earth and the water are regularly mined. The human substances are more difficult to obtain. We get them from the humans we abduct.”

Author’s note: The two scientists nodded in agreement, totally unimpressed by the mention of the abductions. They really did not seem to mind.

The conversation continues (As recorded on the Anunnaki’s Miraya):
“What bugs me,” said the first scientist, “is that we tried so hard to reverse engineer your spaceship, ever since we got it after the crash in Roswell. We just can’t do it.
You have to help us decipher the codes on the screens we found inside the spaceship, and also the geometric and scientific symbols on the grids and measuring tapes we found scattered around the spaceship.
Our team is getting impatient; they may even threaten to kill you, you know. The two of us are friendly with you, but the team is getting ugly, and the boss is mad.”

“What is the point?” said the Gray without showing any emotion, not even fear regarding the threat. “Even if I teach you how things work, and decipher all the codes for you, you will not be able to reverse engineer our technology, because you don’t have the raw materials. Look at this.”

From somewhere around his body, he pulled out a piece of metal.

“This is a very light metal yet stronger than any material known on earth. Yet this sheet of metal could float in the air, and can be bent and folded like paper and then, open up on its own. Look!” He demonstrated. The metal seemed to be indestructible.

“You must understand that we are willing to reveal plenty of information,” said the Gray. “But we can only do so if you will allow me to go home. I need to recharge my body, it’s like a battery, you know.

I will die if I stay much longer, and that will be useless to you. Let me go, and I will arrange for others to come back

with me, others who know much more than I do. I am a simple pilot. I will bring you scientists.

We have no intention of hiding this knowledge from you, on the contrary, we have every reason to cooperate with you and do some joint projects. And we can supply the raw materials and the knowledge of how to turn it all to your advantage."

"So since we are such good friends," said the second scientist, "tell me, where exactly is the home you speak of? Since you have lost the spaceship, obviously, we will have to take you there.'"

"If I tell you, you will not understand and you will not be able to take me there, since it involves getting through additional dimensions. Our scientists constructed our bases' entries like that, as a precaution against intruders. But if you take me back to Roswell, exactly where we crashed, I will find my own way."

"How will you do that?"

"Simple," said the Gray. "When a spacecraft lands on a particular spot, automatically it marks the spot, scans it, and sends data to our mission control for identification and location purposes. Thus, we are never lost. If I can contact my people, they will come for me."

"But if you go away, how do we communicate with you, and find out when the others are coming?"

"In the spacecraft there is a communication device. Let's go there. I am sure it is functional, because it is really indestructible. I'll teach you how to use it. We will contact my people from there and tell them about our plan. You will be there to supervise everything. Bring the boss, too, just in case."

The scientists looked at each other. They seemed rather pleased.

"Very well," said one of them. "We'll come back for you later tonight, after we talk to the boss. I am sure he will agree to our plan."

“It will be a feather in his cap,” said the Gray, using an old human expression unexpectedly. The two scientists burst out laughing.

Author’s notes based on records and statements supplied by Ambar Anati, and published in the book “Anunnaki Ultimatum’, co-authored by Ilil Arbel.

That, was indeed what happened. They took him back to Roswell, and left him there on the exact spot of the crash. They did not leave the area, though, but hid in a small canteen which was placed at some distance, to watch what was going to happen to the Gray. In a very short time, a spaceship came, landed, and he went in.

The spaceship took off directly and vanished into the sky.

The scientists sent the piece of metal which the Gray has demonstrated to a military laboratory, and they called one engineer from Lockheed Corporation and another one from MIT to analyse the piece.

Nobody could figure out what it was made of. Still, prior to his departure, apparently the Gray did reveal many secrets of very advanced technology, that American corporations started developing right away, and began to use ten years later.

Many of the highly advanced electronic gadgets American consumers used for a quarter of a century came from the Grays.

A few years passed. Then, a historic meeting happened. In February 1954, President Dwight Eisenhower went for a week’s vacation to Palm Springs, California.

This was a little strange, and many did not quite understand the timing, because he just came back from a quail shooting vacation in Georgia. Actually, it was less than a week before his trip to Palm Springs.

Two vacations in a row was not his style, but he went anyway, and arranged to stay there for a week. Now, a president, as you know, is always surrounded by other officials, not to mention body guards; he is never out of sight.
But on the night of February 20, the President of the United States disappeared.

The press, which somehow was alerted despite all the efforts for secrecy, spread rumors that he was ill, or that he suddenly died.

The president's people were alarmed, so they called an emergency press conference, and announced that Eisenhower lost a tooth cap at his dinner, and had to be rushed to a dentist. To make it more believable, the dentist was presented to the people. He was invited to a function the next evening, and was introduced all around. This, again, was strange.
Why would a dentist be invited to such an affair, and why would the President's personnel take such care to make him visible to everyone?

The military needed a cover-up.

President Eisenhower was actually taken to Muroc Airfield, which later was renamed Edwards Air Force Base. There, he met with Grays. No president has ever done so before. The delegation of the extraterrestrials consisted of eleven Grays. Six from Zeta Reticuli, and five from earth's underwater bases. But of course, this was not the last meeting.

This marked the beginning of negotiations between the government of United States and the Grays. So the situation was no longer only in the hands of the military, but went much further.

How was this meeting arranged, in the first place?
According to the Miraya's records and Sinhar Anati's statements: It started a year before the meetings.

In 1953, astronomers discovered some large objects that at first were believed to be asteroids, and later proven to be spaceships.
They were very large, but since they took a high orbit around the equator, they were not visible to laymen.

Two projects were installed – Project Sigma, created to interpret the Grays' radio communications, and Project Plato, created to establish diplomatic relationships with the aliens.

There were talks about other races that contacted the humans at that time, arguments regarding who the treaties should be signed with, and so on.

As a matter of fact, the Nordics, a benevolent race, actually tried to prevent the humans from getting into these evil treaties, and wanted them to dismantle their nuclear weapons and abandon their road to self destruction, but they were not listened to.

The Nordics wanted the humans to go on a path of spiritual developments, but what the humans wanted was military secrets. Because they are so badly contaminated, they would not even consider a peaceful offer.

And the treaty with the Grays was signed. It basically said that the aliens and the humans will not interfere with each other's affairs.

The humans will keep their presence a secret, and they will be allowed to experiment on cows and on a limited number of human abductees. The abductees' names would be reported to the U.S. government for control, they were not to be harmed, and they should be returned to their homes after the memory of the events was removed.

The Grays as treacherous as they are, did not keep the promise, and extended their experiments without telling the U.S. government. The humans were treacherous as well. For

example, there was the issue of the Gray that has arranged all that.

He came back with the delegation of 1954, and agreed to stay on earth as a hostage of good will, on condition that he would be allowed freedom to go back and forth to recharge himself.

This lasted for a year, but soon enough the Americans, having learned a little about the vicious plans of the Grays and the excessive number of abductions that was not agreed upon, turned back on their word to the hostage and locked him up for three years. As a result, he developed extreme claustrophobia that eventually killed him.

They won't let him recharge himself.

Sinhar Anati said: "The humans are no better than the Grays." The Anunnaki Council said (According to Anati, of course): "There are still good humans out there, those who are not contaminated, but they usually don't go into government business."

Important note:

The Anunnaki's Miraya also recorded information on the "Grays' Earth Belt." Sinhar Anati explained: "The Grays have built an invisible radio plasmic belt around Earth. They want to isolate Earth from the universe. This belt can expand up or down, and can affect missiles, rockets, or airplanes, and blow them up.

This is what happened to various airplanes in Vietnam, and also to human spacecrafts and space missions."

Is the picture on the Turin Shroud, the face of Jesus or a holographic projection of an Anunnaki?

Questions:
Note: Questions by Jose Mondragon, Vera Cruz, Mexico Is the picture on the Turin Shroud, the face of Jesus or an Anunnaki?

- And if so, how it was done?
- If not, then who is on the Shroud, and how it was done?
- Also why it was done?

Answer of the Anunnaki-Ulema:
Master Oppenheimer said
(As is, verbatim, and word for word):

- 1. The imprint of the face on the Turin Shroud was done via Labanurdi-nizra.
- 2. Labanurdi-nizra was called “Camera Obscura” in the Renaissance time. Yet, it existed thousands of years ago in the annals of the Anunnaki-Ulema.
- 3. In fact, its meaning and implications are quite different.
- 4. As described in the “Book of Ramadosh”, Labanurdi-nizra is the translucent and holographic projection of everything, including objects, humans, animals, dead bodies, any life-form, and even thoughts.
- 5. It is lighter than light itself.
- 6. It penetrates all objects, including liquids, and very solid substances.
- 7. Labanurdi-nizra is the process of absorbing the very substance, the infinite molecules, and all the particles

that constitute any object, including thoughts, feelings, past events, and the future metamorphosis of any activity.

- 8. Once, the absorption process is complete (It takes a fraction of a second), all matters are condensed and transposed into a series of vibrations and frequencies, inside an instrument invented by the Anunnaki-Ulema.
- 9. The vibrations and frequencies are stored in, and diffused from the same source.
- 10. This source is called “Nizra”, which means a “Spatial Memory”.
- 11. “Spatial Memory” means the blueprint depot of all matters, including all mental activities.
- 12. The “Spatial Memory” is an etheric substance, and it exists in abundance in the whole universe.
- 13. Astonishingly enough, the “Spatial Memory” can be stored and/or contained in sophisticated instruments created by the Anunnaki-Ulema.
- 14. One of these instruments is known to you, and it is called the “Miraya”.
- 15. The “Miraya” functions as a projector and as a monitor.
- 16. The “Spatial Memory” materializes physically as rays.
- 17. When rays appear, this process is called “Labarnudi”.
- 18. Thus, “Labarnudi-nizra” means: The projection of a spatial memory.
- 19. The “Miraya” captures the external object, as well as your thoughts and feelings.
- 20. The external object, your thoughts and your feelings are instantly de-fragmented, and stored in multiple series of synchronized sequences of dots, lines, spaces, and codes.
- 21. The “Miraya” becomes the depot of the dots, lines, spaces and codes.

- 22. The “Miraya” stores them on an invisible band, called “Holographic Film”.
- 23. When the “Holographic Film” is projected through the lens of the “Miraya”, all previously photographed objects and stored inside the “Miraya” become fully animated, and appear before your eyes, not as images and pictures in motion like a regular movie, but as an alive duplicate.
- 24. Alive duplicate means, that the photographed object acquires physical reality, and is hereby projected not as an image, but as the real thing.
- 15. The real thing means the original object, de-fragmented and reassembled.
- 26. A camera obscura can’t do that. Because what it projects is not the reassembled and alive object, but its image.

Whose face is on the Shroud?
Master Oppenheimer said: 1. The face on the Shroud of Turin belongs to Jacques de Molay, the Grand Master of the Knights Templar.

Note:
Worth mentioning here, that circa 254 B.C., the Anunnaki-Ulema have said, that the light does not always travel in a straight line. In some conditions, the light bends on itself, and/or around other objects. Around 1910, Albert Einstein was able to prove to the world scientific community, that indeed, the light does not always travel in a straight line.

It was reported in the circles of the Ulema’s students, that Bacon had access to: **a**-The Anunnaki’s “Miraya”, and to **b**-“Minzar”.

Worth mentioning here, that da Vinci was an initiated and an enlightened Ulema, and was called “Al Alim Lenardoh”.
Al Alim is the singular of Ulema in Ana’kh, Ulemite and Arabic languages.

On interference from negative astral/lower 4th density hate groups

Question:

Note: Question by Sam Bryar.
samuelb144000@gmail.com

I am a contactee of extraterrestrial/extradimensional factions, primarily positive. However I get interference from negative astral/lower 4th density hate groups.
I believe there was an Annunaki who attempted to communicate with me because of what attributes extradimensionals had told me I possessed. After discussing a few things with my presumed Annunaki friend, my brain was pirated by lower 4th density negatives, hate groups.
I overheard them saying that all communication had to go through them. I overheard my friend saying, "I did not have this problem in Damascus." I haven't really heard from him since, although I have constant contact with other extraterrestrial-astral-extradimensional factions.

If you have any contact with any Annunaki whatsoever, could you inquire about this for me?
I know that I was supposed to serve some purpose, but I am not clear on what, since my mind, my Ashtar Connection, other mind connections have been hijacked. Thanks!

Answer of the Anunnaki-Ulema.
Master Kanazawa said:

- 1. Your mind is working overtime.
- 2. You should not exhaust your mind.
- 3. Every human being has more than one mind.

- 4. The other mind that you are not aware of its existence is called the Symmetric (Symetric) Mind.
- 5. The Symmetric Mind controls your thoughts, and serves as guardian and trustee of all your thoughts, past, present, future.
- 6. Some ideas, thoughts and visions that enter your Symmetric Mind come from a non-physical dimension. Usually from a parallel zone.
- 7. In the parallel zone (Non-physical), are stored and constantly activated visions and messages.
- 8. Some times, your normal mind escapes the physical dimension you live in, that is Earth.
- 9. It goes everywhere, to areas, spheres and zones totally unknown and incomprehensible to you and to your normal mind.
- 10. It starts sending messages from that etheric zone to your ordinary mind.
- 11. Unless your Conduit is activated, unless your Araya is open, all messages received by your normal mind will be un-deciphered and consequently misinterpreted.
- 12. This is the situation you are in.
- 13. Human beings cannot communicate with the extra-dimensional entities.
- 14. Not even the Anunnaki-Ulema can achieve this, unless they reach the level of the Mounawariin, meaning fully enlightened “Illuminated” masters.
- 15. And this very particular level of awareness requires training, orientation, and many many years of practice.
- 16. This is exactly and precisely what differentiates the Anunnaki-Ulema from others.
- 17. Only those Ulema who have lived more than 150 years can reach this level of cosmic knowledge.
- 18. Anunnaki do NOT communicate with human beings on one-to-one contact basis, meaning if the Anunnaki want to send a message or a warning, they usually do

this via the Conduit. Only the enlightened masters are able to receive these messages and warnings.

- 19. However, some individuals can tap into the depot of knowledge “Ulm, Ilm”, without realizing it. This is the situation when your normal mind escapes your personal control.
- 20. It is very possible, that your normal mind has done this. But it is quite unlikely.
- 21. Neither the Anunnaki, nor the extraterrestrials and extra-dimensional entities hijack minds, unless walk-ins invade your thoughts.
- 22. But this is not your case.
- 23. I am deeply sorry; I cannot contact your “Anunnaki Friend”!

On soul, God, Anunnaki's supernatural powers, Tablets of Destiny, and place of humanity among "Civilized Races of the Universe"

Note: Questions from Keter.
E-mail: keter_magick@earthlink.net

Question #1: Describe a typical Anunnaki's relationship with his/her own soul and his/her own concept of God.

Answer of the Anunnaki-Ulema.
The honorable Master Li said:

- 1. Followers of the Judeo-Christian-Muslim tradition and religious dogma are easily shocked, and many are outraged when we tell them that there is no soul, but rather Mind.
- 2. Buddhists are neither shocked, nor outraged, because one of the fundamental and basic teachings of Buddhism is the transmission of mind.
- 3. I do realize, it is quite impossible for many people to accept this. In reality, it does not make any difference whether you believe in soul or in the mind, as long as, both reach the same conclusion.
- 4. Soul is one of the multiple manifestations of the mind, once it is equated with emotions. For you know very well that the soul (In your belief system) feels, but does not think. The mind does all the analysis and effectuates all the processes needed to understand what is happening around you, in this dimension, and the one beyond.

- 5. You can talk to your mind, but you can’t talk to your soul.
- 6. The concept of soul was invented by priests to serve their own interests. And starting in the dark ages and medieval times, organized religions used this concept to control the masses and illiterate worshippers.
- 7. The concept of soul was strengthened by the fear of going to hell and spending the rest of your life in a burning hell.
- 8. Soul is a product well manufactured by religions.
- 9. Thus, the Anunnaki do not believe in soul. And they are the ones to know, for they have created the human races, the final form of modern humans, as well as the primordial prototypes, and quasi-humans.
- 10. According to Book of Ramadosh, and the Akkadian and Sumerian tablets, when the Anunnaki goddesses created Man, and upgraded the already exiting half beast-half humans, and improved on the early human prototypes, the Anunnaki did not create and install a soul in the bodies of their creatures, but physical and mental faculties.
- 11. These mental and physical faculties made the human bodies move, think, live and die.
- 12. If you believe that the Anunnaki are the creators of the human race, and the genetic formula they have used to create the early human race, then you should have no problem understanding this.
- 13. Their genetic creation did not contain a soul.
- 14. If you don’t believe that the Anunnaki have created the human race, then your question becomes an issue of a religious nature, and the Anunnaki-Ulema and their adepts do not discuss religion.
- 15. The goodness, mercy, forgiveness, generosity and all the beautiful qualities and virtues are not found in a “soul”, but in the sound and good judgment found in the mind.

Question #2: **Describe a typical Anunnaki's concept and use of free will.**

Answer of the Anunnaki-Ulema.
Master Sorenztein said:

- 1. At the dawn of the creation of the human race, the early human beings did not have free will, and autonomy. They were not free creatures.
- 2. The Anunnaki created them genetically to work for them. They were robotic creatures.
- 3. Later on, the Anunnaki Sinhars (Lords, king and rulers) began to show affection toward their creatures. Eventually, and gradually, the Anunnaki began to teach them how to read and how to write, how to built houses and develop irrigation systems, how to discern between good and evil, and how to erect cities.
- 4. During and amid this learning phase which was very rapid, human beings acquired additional and multiple mental faculties, including freedom, and interest in arts and humanities.
- 5. Around 8,000 B.C., humans became totally free. In fact, many of them were admitted to the Anunnaki communities in Sumer, Anatolia, Turkey, and Phoenicia, and consequently some of the Anunnaki married Earth’s women, and fathered a new breed of human beings. Some of their offspring were the giants. Later on, the Habiru and the Hyskos will call them Bene ha Elohim.
- 6. From around 8,000 B.C. to the present, the Anunnaki did not interfere in humans’ affairs. It is fair and safe to say that humans are no longer controlled by the Anunnaki or the Igigi, even though, they were born and

manufactured as slaves, and a hard labor working force.

Question #3: **Explain the advantages, the risks, and the responsibilities of having the supernatural powers the Anunnaki claim to have. Explain what makes them 'supernatural.'**

Answer of the Anunnaki-Ulema:

- 1. The Anunnaki have an astonishing ad infinitum variety of supernatural powers.
- 2. They have not claimed anything. Why should they?
- 3. They have already demonstrated one of the greatest deeds and one of the most mind-bending ability in the history of humanity and the cosmos: Creation of life on Earth; the genetic creation of every life-form on Earth, including the human beings.
- 4. By itself, the process of creating life is supernatural. By its very definition, “Supernatural”, the creation of life is not something very natural by human standards. This is one of the reasons why the Anunnaki are super beings and super-natural.
- 5. Others supernatural, extra-ordinary, and paranormal accomplishments of the Anunnaki include, to name a few: a- Bring the dead back to life; b- Bending time; c- Bending space; d- De-fragmentation of molecules; e- Longevity extending to 450,000 years; f- Traversing the cosmos and the galaxies in no time; g- The duplication of themselves, and the copying of their persona, mind and body in multiple parallel dimensions; h- Revisiting

the past and entering the landscape of the future; i- All these faculties and abilities make them supernatural.

- 6. No risks are involved, since everything the Anunnaki do and perform is executed according to a high level of knowledge, understanding of the mechanism of the universe, an absolute synchronization with the motion of the cosmos, and the highest ethical standards.

Question #4: Relate actual experiences where those responsibilities were abrogated and these 'supernatural powers' were abused, including consequences and lessons learned.

Answer of the Anunnaki-Ulema:
None.

Question #5: **Describe the future role the Anunnaki intend for themselves in relation to the Earth and to humankind.**

Question #6: **Describe the future role of humankind as envisioned by the Anunnaki and compare this to what the Anunnaki believe is humankind's own vision for its future role.**

Answers of the Anunnaki-Ulema to both questions:

- 1. Quite often, you hear, you listen to, and you read about the extraterrestrials' agenda. Horrors were described, and catastrophes were predicted, usually by ill-informed writers and naïve individuals.
- 2. A major difference separates the Anunnaki from other extraterrestrial and intraterrestrial non-human races, living on planet Earth.

- 3. Yes indeed, the Grays have their own agenda; a destructive one. And your government is fully aware of this very alarming and threatening agenda.
- 4. Thus, the future of humanity rests in the hands of humans of all nations. However, the Anunnaki have learned about the intentions and agenda of the Grays, the contamination they brought to the DNA of human beings, and the disastrous results and consequences caused by the cross-breeding and the genetic intra-breeding programs of the Grays.
- 5. The Anunnaki also have learned about the beacons and the “Plasmic Belt”, the Grays have used to alienate Earth from other civilizations. Your government is fully aware of this “belt” which controls the sky and frontiers of your planet.
- 6. This so-called “Shield of Protection” as claimed by the Grays will prevent humanity from contacting advanced galactic societies, and in the same time, prevent highly advanced and benevolent communities in the universe from communicating with you. This “Isolation Belt” will prevent humanity from progressing and learning about the universal truth.
- 7. Thus, the Anunnaki shall interfere, in order to eliminate the “Plasmic Belt”, and facilitate the process of welcoming Earth into the Benevolent Cosmic Federation.
- 8. In 1958, two jets from the American 6th Fleet patrolling the wates of the Mediterranean, near the shores of Lebanon in the Middle East were damaged by the Grays’ beacons.
- 9. In Viet Nam, 2 American jets were shut down by the Grays’ beacons.
- 10-In Russia, on two occasions, Russian jets, missiles, launching pads, a huge central firing range (Zone), and one military base in Kapustin-Yard were burned to ashes by the Grays’ beacons. These events were

recorded by the Anunnaki's Miraya, witnessed by military personnel, and filed in the "Blue Files" of the Russian military.

- 11. The Anunnaki Sinhars and their legions will return to Earth in 2022 to accomplish this mission.
- 12. The Anunnaki are fully aware that the human race is ruled by greed, violence, injustice, and physical and mental aggression.
- 13. The Anunnaki fear that morbid military expansion, unjustified governments' interests at many levels, and the constant never-ending development of destructive weapons will annihilate Earth.
- 14. The destruction of Earth will totally destroy the solar system. And the destruction of the solar system will jeopardize the balance and cosmic equilibrium. This is not an ordinary matter. It will have enormous and lethal effect on the "Wheels of the Cosmos".
- 15. Having realized all these possibilities, the Anunnaki shall and will interfere to stop these cosmic catastrophes.
- 16. Ironically, the Grays and their new breed of Bashars (Hybrids) who are known to be aggressive, deceitful and expansionists are also very concerned, and fear that Earth's accentuated military operations, and nuclear programs will globally destroy Earth. This, the Grays will never allow, simply because they share Earth with you.
- If Earth is destroyed, their habitats/domains on Earth and underwater will cease to exist. So, their very survival and their reproduction at various levels (Especially bio-organically and genetically) are at risk.

Question #7: **Are the Anunnaki able and willing to admit that they don't know everything and are capable of making and learning from their own errors and omissions?**

Answer of the Anunnaki-Ulema:

- 1. Always.
- 2. And quite candidly, the Anunnaki have admitted and recognized their errors, particularly their early failed genetic experiments on the first specimen of humans. They told us about their errors and mistakes, and how later on, they learned from their mistakes, and what they did to rectify the dreadful situations.
- 3. The Mesopotamian (Akkadian/Sumerian clay tablets) records, epics and accounts of the Creation of Man have clearly indicated that the Anunnaki geneticists, the goddess Aruru, the lords Ea, Enki and others admitted that they have made many errors and huge mistakes when they fashioned Man from mixing clay and the blood of an Igigi god (Lord) they slaughtered. It is written in cuneiform, in the Epic of Creation of man. I encourage you to read the epic, also I advise you to read the Epic of Gilgamesh, the Poem of the Descent of Ishtar to the Underworld, so on…
- 4. If you read the Akkadian/Sumerian clay tablets, you will find out that the Anunnaki have publicly admitted that many of their gods, leaders, rulers, kings and Sinhars in Mesopotamia (Sumeria/Babylonia/Akkadia) have committed crimes, hideous acts, rape, murder, and despicable atrocities against Anunnaki Sinhars, leaders, Anunnaki goddesses, Anunnaki women, and human beings; all these atrocious acts were recorded in their epics, poems, myths, and stories. And those who

have committed those crimes were expelled, and punished. You must read the clay tablets. Educate yourself.

Question #8: **Are the Anunnaki able and willing to enter into direct, meaningful, bidirectional, real-time dialog with real humans, not governments?**

Answer of the Anunnaki-Ulema:

- 1. Governments on Earth mean absolutely nothing to the Anunnaki. To humans, governments are the center of power. To the Anunnaki, governments are fractions of the human race they have created.
- 2. Thousands of years ago, the Anunnaki initiated all sorts of dialogues with humans and their leaders in Mesopotamia, Babylonia, Sumeria, Assyria, Akkadia, Arwad, Ugarit, Tyre, Sidon, Baalbeck, Rhodes, Cyprus, Anatolia, Turkey, Malta, Syria, Fertile Crescent, Jordan, Phoenicia, and surrounding areas.
- 3. The Anunnaki have already instructed the Ulema, the Mounawariin, the Tahiriin, the Ashraaf, as well as many other honorable teachers in India, Tibet, and Burma what to do and how to prepare humanity for the greatest event in its history that shall occur in 2022.
- 4. The Anunnaki do not trust governments, military authorities, and organized religions. However, one major meeting between an Anunnaki envoy and top echelon officials from NASA, CIA, NSA, the Pentagon, the United States Air Force, and a group of scientists from MIT took place years ago in North Georgetown, Washington, DC. Nothing, absolutely nothing came out of it.

- 5. Nevertheless, a very special protocol pertaining to the extraordinary encounter with the Anunnaki in 2022 has been prepared by the United States government. A major part of the protocol is based upon instructions given to the United States government by the Anunnaki-Ulema.
- 6. An addendum to the Anunnaki-USA protocol was provided to influential religious personalities, leaders, and the highest Catholic and Evangelist hierarchy in America, for their input and consideration.

Question #9: **What is the Anunnaki position on the Constitution for Universal Citizenship and the admission of humankind to the Council of Civilized Races? (Or similar body - please define which one the Annunaki participate in when answering this question: do not allow any error I may have made in translating telepathic information into words be a deterrent to a correct and complete answer to this question.)**

Answer of the Anunnaki-Ulema:

- 1. In the Book of Ramadosh, in the manuscript “Al Ulm Al Daem” (The Perpetual Knowledge), in the “Kira’at of Al Munawariin” (Lectures of the Enlightened Ones), in Count Saint Germain’s “Sejour de L’Esprit Universel” (Journey of the Universal Spirit), you will find passages referring to the “Majless (Maj-Liss) Al Donia” (Council of the World” in which, the Anunnaki have described how cosmic civilizations should work together to maintain peace and harmony in the universe.
- 2. The Anunnaki referred to the “Hukm Noura”, which means “The Reign of Light”, also called the “Federation of Light.”

- 3. This Federation encompasses the most advanced civilizations in many galaxies, and dictates rules to improve and ameliorate the level of awareness, law, and order among all members of the Federation.
- 4. Worth mentioning here, that the Federation or Council (Majless) was also established to fight the “Black League”, which was created by other extraterrestrial races who aimed at dominating and ruling peaceful stars and planets neighboring Amroon Ra, Marash-Haloum, Naphtari, and even Ashtari, sometimes called Ne.Be.Ru, and Nibiru.
- 5. In one passage from the manuscript “Hukm Noura”, a striking reference was made to the mental level and technological standards of the human race.
- 6. It was written that the human race is not ready to join the Federation of advanced societies.
- 7. Another frightening passage explained that by the time the human race will reach an acceptable level of awareness, few humans on Earth would have survived and or escaped the “Law of Da-emat”, which means “the cosmic (Time/Space) laws of the life span of planets and races. In other words, it would be too late for humans to join the Federation.
- 8. Unless, the Anunnaki will step in, and rescue the human race, by ascending humans to a higher dimension through the “Ba’abs”.
- 9. In the Anunnaki’s Matrix, it is written that only through the Ba’abs, humanity could escape from its “self-destruction” and put an end to its contamination.
- 10. This leads me to strongly believe that the Anunnaki are humanity’s only hope.
- 11. Do not expect that other extraterrestrial civilizations will come to the rescue of the human beings, for they have nothing in common with them.

Question #10: **Who currently controls the Tablets of Destiny?**

Answer of the Anunnaki-Ulema:

- 1. The Tablets of Destiny are protected by the Anunnaki.
- 2. Humans misinterpreted the meaning of the Tablets.
- 3. As mentioned in the Akkadian/Sumerian clay tablets, the Tablets refer to the fate, destiny, life and death of all life-forms on Earth, including humans and animals.
- 4. It is extremely important to understand that the Tablets refer only to life-forms on planet Earth.
- 5. Higher beings and enlightened persons are immune, meaning their fate and destiny are not recorded in the Tablets. And this is so wonderful and refreshing, simply because it eliminates the control of the Anunnaki over those who have reached the eight degree.
- 6. The Eight degree is called “Ka-dous”, Kadosh in Aramaic and Hebrew, and Koudous in Arabic, and proto-Arabic. Kadous means holy, sacred, pure.
- 7. The state of Kadous can be reached through the activation of the Araya and/or the opening of the Conduit.
- 8. Once the Conduit is open or activated, any record on you, on your life, on your after-life is instantly rectified on the Tablets of Destiny. This allows you to become equal to a certain degree, to your divine maker.
- 9. You have to remember, that after all, the “Human” has retained in his/her essence, a part of the divine, since he/she was created/originated by the divine, and made in his/her image.

On activating the Conduit, decontaminating or cleansing ourselves, galactic species in the Milky Way, galaxy and universe, stargates, invasion of Iraq, Anunnaki and extraterrestrial spaceships and UFOs

Questions:

Question #1: Are the Sumerian gods Enlil, Enki, Inanna and Marduk still alive and will they be returning to earth in 2022 or not? (A question I asked Zechariah Sitchin in person November 2007 but he did not answer)
Answer of the Anunnaki-Ulema:

- 1. Enlil, Enki, Inanna and Marduk do not represent the whole hierarchy, and leadership of the Anunnaki. They are the Anunnaki Sinhars who landed on Earth, similar to other Anunnaki leaders who visited other worlds, galaxies, stars and planets.
- 2. The Anunnaki have visited 7 galaxies and interacted with hundreds upon hundreds of different and highly advanced extraterrestrial civilizations. They are all over the universe.
- 3. Millions of them traverse the universe and its multiple zones freely and regularly.
- 4. By life-span standards of the Anunnaki, Enlil, Enki, Inanna and Marduk are relatively young. For, Anunnaki have a very long longevity.
- 4. Some Anunnaki live 450,000 years, until the last cell or molecule in their mind and body deteriorates.
- 5. In some instances, the Anunnaki can self-reproduce themselves, and add more years to their longevity. So, the answer is yes, they are still alive.

- 5. Are they returning to Earth in 2022? According to Ulema Sadiq bin Bakri Al Ansari (512 year old and still alive), and honorable Master Li (217 year old and still alive), and as stated by Ulema Mordechai ben Zvi (270 year old and still alive), Sinhar Inannascharma and Sinhar Marduchk will lead the Anunnaki's return to Earth in 2022.
- 6. Their return to Earth has been already announced in the Anunnaki Matrix.
- 6. We also know where the Anunnaki shall land on planet Earth, and what assignments are already given to other leaders and commanders.
- 7. Some will be very peaceful, others alarming.

Question #2: Is it possible for us earth humans to activate our Conduit ourselves here on earth, and if so what is the technique to do so.

Answer of the Anunnaki-Ulema:

- 1. No, it is not possible.
- 2. You need to study with an Anunnaki-Ulema.
- 3. However, you can partially active one zone in your Araya through the “Transmission of the Mind” technique, and other techniques such as: a- The Abgaru introspection, if guided by an adept; b- The Anshekadoora-abra technique; c-The Afkir-r’-Tanawar, so on.

Author’s note: These techniques, as well as other techniques and orientation training are fully discussed in my book “Book of Ramadosh: 13 Anunnaki-Ulema Mind Power Techniques to Live Longer, Happier, Healthier, Wealthier” (In English and Spanish. The Spanish edition book was translated by Laura Lebron.)

Question #3: When will Sinhar Marduchk's notes for 2022 be published?

Answer of the Anunnaki-Ulema:

- 1. Sinhar Ambar Anati has authorized the release of the “Mouza-Karaat of Sinhar Marduchk” (Notes/Diary of Sinhar Marduchk). It is our plan to publish the Mouza-Karaat before the last quarter of 2009.
- 2. The publication shall contain both the original notes as prescribed in Ana’kh (The Anunnaki’s language), and the translation in English.
- 3. Some chapters shall contain transliteration as well.

Question #6: Have you read "Alien Interview"?
In it the EBE says she is a member of the Domain Expeditionary Force sent from the Domain to explore, investigate and conquer this part of the galaxy en route to the galactic center, and claim the Domain to be an extremely old and very advanced civilization.

Answer of the Anunnaki-Ulema:

- 1. We do not read material and work written by humans.
- 2. However, we are fully aware that 99.99% of what has been written and said by Western authors and ufologists (Especially in the United States of America) about the Anunnaki, their history, other galactic civilizations, the origin of Man, alien technology, parallel dimensions, and non terrestrial spacecrafts were false, silly, and childish. Especially those so-called messages received from the stars, telepathic communications with extraterrestrials, and channeling with “Higher Beings”.

- 3. The cosmic universe and its Two Wheels of Harmony do not function in this manner.
- 4. You have to understand (and get used to, and once for good and for ever), that extraterrestrials do not mingle with people in their homes, do not volunteer to provide galactic information, messages and instruction, do not telepathically communicate with individuals (Except in those rare cases of abductions by the Grays) to announce and/or to deliver any sort and any kind of revelations, messages, warnings, teachings, and instruction. They do NOT!
- 5. It is these sorts/kinds of claims, idiotic and childish statements, false reports, arrogant assumptions, bizarre theories about aliens and alien encounters, badmouthing few honest writers who touched the face of the truth but were ridiculed or maliciously attacked by ignorant and vindictive people, the totally untruthful and fabricated statements and accounts reported or given by so-called experiencers and messengers, the self-serving and egoistic ufologists, self-proclaimed researchers, so-called field investigators, the fraudulent mediums/contactors, twisted accounts from abductees and alleged contactees, the ridiculous channelers, and fake psychics that destroy the credibility of ufology! The world/field of ufology is unhealthy! Ufology has become a religion; a dangerous cult!

Question #7: What do the Annunaki have to say about other galactic species, how many are they and how much interaction between species is going on here and elsewhere in the Milky Way galaxy and universe?

Answer of the Anunnaki-Ulema:

- 1. There are millions upon millions upon millions of all kinds, categories and levels of galactic civilizations in the universe.
- 2. And the universe encompasses so many layers of : a- Existences,

b- Dimensions,
c- Spheres,
d- Zones,
e- Species,
f- Past worlds,
g- Present worlds,
h- Future worlds,
i- All kinds of space-time memories and projections,
j- Mind-matter-anti-matter manifestations,
k- Vibrational beings and life-forms,
l- Multidimensional beings and life-forms,
m- Intradimensional beings and life-forms,
n- Extraterrestrial beings and life-forms,
o- Intraterrestrial beings and life-forms,
p- Holographic entities, beings and life-forms.

Question #8: Is there a stargate in New York City?
Answer of the Anunnaki-Ulema:

- Absolutely.

*** *** ***

Question #9: How many stargates exist across the planet?

Answer of the Anunnaki-Ulema:

- 1. First, it is extremely important to understand or to try to understand the major characteristics, properties and enormous differences between: a- Gateway(s); b- Ba'ab(s); c- Time-pocket(s); d- Space pocket(s); e- Mad-khal(s); f- Mikh-Raaj(s); g- Stargate(s); h- Space diving lines; i- Time dividing lines; j- Intersections of multiple layers of the universe, etc…
- 2. Even though all of the above are separately grouped under "Stargates".

Note: (a) to (j) are discussed, and explained step-by-step, and at length in my forthcoming book "The Anunnaki Ulema Final Warning: Humanity destiny, UFOs threat, and the extraterrestrials final solution." Date of publication: October 9, 2009.

- 2. There are 70 "Gateways-Stargates" across/around planet Earth.
- 3. Not all of them serve the same purpose.
- 4. Not all of them function, open and close in the very same manner.

*** *** ***

Question #10: Are there specific times when they can be used or are they always open?

Answer of the Anunnaki-Ulema:

- 1. Stargates/Gateways/Ba'abs function, open, and close according to a Matrix that establishes: a- Specific times; b- Specific entrances and exists called respectively Mad-khal(s) and Mikh-Raaj(s); c- Mass, matter and anti-matter.

- 2. Stargates, Gateways, and Ba'abs are not always open, because a permanent "opening" will create cosmic catastrophes.
- 3. A permanent "opening" will suck up everything that exists in its perimeter, like the black holes.
- 4. A permanent or quasi-permanent "opening" will de-fragment, disintegrate, and annihilate molecules, space boundaries, particles, atoms, matter and mass, including dark energy, and "God Particle".
- 5. Should these de-fragmentations, disintegrations, and annihilations occur, the universe will cease to exist.

Question #15: What are Anunnaki ships and extraterrestrial crafts made of and how do they look?
Author's note: I have written a 400 page, large format (8 x 11) book on the subject "Inside a UFO".

Answer of the Anunnaki-Ulema:

- **1.** The UFOs and USOs are the spaceships of the Grays who live here on Earth and underwater.
- **2.** They are made from special metal and a blend of material/substances totally unknown to humans.
- **3.** They are "coated" with: a- Protection shields; b- Anti-matter frames; c- Invisibility belts; d- Anti-gravity circumferences; e- Anti-metal fatigue, and anti-erosion properties, thus allowing them to jump from time pocket to another time pocket, and from space pocket to another space pocket. These maneuvers explain their erratic, irregular "flying" (In fact, they do not fly, they jump) pattern and sharp and sudden angular turns and spiral acceleration.

 4. They come in all shapes and forms ranging from: a- Circular; b- Conical (Conic); c- Triangular; d- Crescent; e- Half crescent; and half crescent with an angular tail; f- Cigar shape; g- Spheroids, also called “Flattened Spheres”; h- Rings; i- Balls of lights; j- Oval; k- Egg shape; l- Diamond shape; m- Lampshade shape; n- Cylindrical; o- Probes; p- Small carriers; **5.** Grays UFOs and USOs have a multitude of spectral colors and shades such as: a- Bluish in day time; b- Bluish-grayish in day time; c- Orange in day time; d- Reflective in day time; e- Shiny (Aluminum-Silver-Chrome colors); f- Luminous in the dark or night time; g- Extremely bright in the dark or night time; h- Different and constantly changing colors from burning magnesium to fluorescent blue-green, in the dark or night time; i- Sudden alteration/variation from greenish-blue to red-orange, with intense white-blue underside or under the “belly” of the craft, in the dark or night time; j- The total spectral colors (Range and intensity) range from silver to red, yellow, orange, green, violet and blue.

 6- They emit various gases, to name a few: Hydrogen;
 Acetylene;
 Translucent plasma;
 Helium;
 Oxygen;
 Carbon dioxide;
 Argon;
 Krypton, so on…

 7- They produce several physical, mental, emotional, psychological, psycho-somatic and bio-organic effects on human beings, animals, and the environment, to name a few: a- An intense heat;
 b- Continuous increase of temperature; c- Radio active emission and rays; d- Paralysis;
 e- Immobilization;

 f- Vision impairment; g- Burning the skin;
 h- Laps of memory;
 i- Difficulty in breathing; j- Lost of consciousness; k- Electrical shocks;
 l- Cars engines stop to work; m- Vehicles motors misfire; n- Headlamps regularly went out; o- Emission of electromagnetic energy; p- Painful pricklings; q- Disruption of electrical circuits; r- Amnesia;
 s- Headache;
 t-Eye pains;
 u- Nausea; so on…
 8. The Anunnaki ships called Merkaba and Markaba are completely different from the UFOs and USOs you see in the skies.
 a- They are much much bigger; b- They are always accompanied by a mother-ship that stays around the orbit of the Earth; c-The mother-ship houses multiple and smaller crafts, usually stored in the lowest section (Belly) of the mother-ship; d- They produce a loud sound when they take off from a land-base; e- The spaceship top section has a dome made from translucent material, resembling a diamond ring; f- This upper section (At the very top) of the spaceship serve as a navigation and control command center; g- Below the crystal ring, there are four to five circular and parallel compartments connected to the main engine of the craft; h- I have used the word “Engine” for lack of proper terminology, because alien spaceships of any category do not have engines or motors, some time, the whole craft serves as a propulsion catalyst.
 i- The larger Anunnaki spaceships are noted for their arched back side.
 j- The lower part or level of the spaceship have circular rings rotating independently from each other; these

rings when they start to spin, they produce the lift, activate the spiral (Oval or circular) propulsion system, and instantly neutralize gravity.

 k- To the human eyes, the rings appear like wide-spread wings and/or a helicopter blade; i- The central/lower wheel (the fifth one) spins at a great speed; j- All wheels spin independently from each other in different directions; there is no synchronization in their motion and circular rotation; k- From the lower part of the spaceship (Belly), extend four rectangular sections that change to oval shape, when the craft has reached an altitude of 200 feet; l- On take off, these four sections remain inside the body of the craft. But when the craft lands, they “emerge” from the body of the craft to provide support for landing, even though they never touch the ground; m- These four sections are sometime called the “Legs of the ship”’ they are clearly visible to the naked eyes, because they look like long, extended and straight forks, brightly polished, of a golden or amber color that changes to highly polished brass color; n- Fraction of seconds, before the craft lands while still hovering in a semi-circular motion, the “legs” of the ship begin to rotate on their own axis, and the very end or extremity of the legs become flat; o- The spaceship does not a cockpit or a flight deck for obvious reasons.

 p- The entrance gate or door of the ship is never visible at first sight. The gate or the door opens and closes in a revolving manner.

 q- Once, the door or the gate stops to rotate, a sort of an extended rail (consisting of several lined up rectangular sections attached to each other by very thin rows of tubes) extends from the lower body of the ship, and its extension suddenly widens, and opens up to reveal a circular entrance/exit.

Note: This was a very brief descriptive summary of the exterior of the craft.

To learn more on the interior of the craft, the compartments of the pilots and passengers, the vault that contains the main apparatus, the navigation instruments, the prime operation room, the ammunitions and weapons system, etc., you have to read the scientific report on all types of Markaba.

Again, you have dig out this report in various chapters of my previously published books.

On sharing the same God with extraterrestrials, the great book of knowledge, end of our planet, the truth in the Bible, are the Anunnaki the bad guys?

Note: Questions from Jamie Havican
Questions:

Question #1: Do we all share the same god?
Answer of the Anunnaki-Ulema:
 No.

*** *** ***

Question #2: Did they make us?
Answer of the Anunnaki-Ulema:
 Affirmative.

Question #3: When will we know the full truth?
Answer of the Anunnaki-Ulema:
 Not before 2021 or 2022.

Question #4: What is man here for?

Answer of the Anunnaki-Ulema:
 1. The answer depends on your religious beliefs.

- 2. Your priest, pastor, rabbi, cheik and other religious dignitaries, figures and preachers have already handy and well-crafted answers.
- 3. But you got to remember that religions for centuries and centuries fought knowledge, science, astronomy, physics, mathematics, cosmology, autopsy, medicine, jailed, exiled and killed scientists.
- 4. By the name of God, and faith, they burned hundreds of thousands of people in public places, mutilated their bodies in tortures donjons, and refused them burial rites.
- 5. The answer also depends on the person you are addressing the question.
- 6. Is she or is he a traditional scientist, an avant garde futurist, a physician, a cosmologist, an anthropologist, a psychologist, a metaphysic teacher, a qauntum physics professor, a raconteur, an elementary school teacher in Texas or Barbados, a spiritual medium, a psychic to the stars, a colorful channeler, a Biblical scholar, a mental case nerd posting hilarious stuff on the Internet, an expert in ancient languages? Or something else?
- 7. Theories and assumptions on the subject are endless!
- 8. To tell you the truth, only few people and beings of any dimension knew why you are here and where you are going, and where you will end up; here are some names: a- The Anunnaki because they have created you, b- The Igigi because they have witnessed your genetic creation in the Chimiti (Laboratories, tubes, containers) of the Anunnaki, c- Few other galactic races like the Lyrians, the Nordics, the Zeta Reticulians, because they have discussed your faculties, mental and bio-organic “properties”, nature and especially your possible admittance into the Federation of Light and its Majliss (Council), following the initiative of the Anunnaki.

- d- The early Phoenician, Arwadian cosmologists, and the offspring of the Anunnaki, and few of their remnants.
- e- The Anunnaki-Ulema.

Remember that other humans (More exactly quasi-humans and other semi intelligent life-forms) were already here on Earth, long before the Anunnaki and/or any other extraterrestrial races visited Earth, and the idea or concept of “God” were known to mankind.

Some were the product and results of:

a- Photosynthesis,
b- Metabolism,
c- Bio-organic metamorphosis, d- Cosmic dust,
e- Space particles,
f- Galactic molecules,
g- Space bubbles,
h- Meteors containing blocks of life, i- Multiple universes collisions, j- Genetic manipulations, k- Several evolutionary processes, you name it.

Those people, entities and life-forms did not know where they were here, and why they were created; they did not even know on what dimension they lived. And even the Anunnaki themselves did not know what they were here on Earth, and what were the purposes and reasons for their existence.

But the Anunnaki know very well why the early prototypes of Bashars (Humans) and the final product of their experimental genetic manipulations that shaped up the final shape of modern humans were created, and what purposes they must verve.

They created you to as labor manpower, as a work force, as machines and robots to work the fields, to feed them, to serve them, etc.
All these ideas and reasons are documented in the poems, epics, and tales they left us, and which were recorded in the Akkadian/Sumerian clay tablets, and the cosmogony of the early Phoenicians.
But things became to change, when the Anunnaki started to show interest in the human race, and manifest affection toward your ancestors. Especially, when the early humans were allowed to mix with their women and men, and more precisely, when the Anunnaki began to marry Earth's women and father their children.
At that particular moment in history, the Anunnaki changed their plans for the human race, and improved their mental and physical faculties. Instead of the 13 primordial faculties they "inserted" in their brains and bodies, The Anunnaki added more faculties and capabilities, such as writing poetry, composing music, erecting cities, mapping the skies, establishing rules for their communities, developing sophisticated irrigation systems, discovering mineralogy, etc.
And when the Anunnaki discovered (to their greatest delight and surprise) that humans after all are not so inferior and limited in their imagination, endurance and creativity, the Anunnaki decided on a new fate, a new destiny, and new role for humanity on the landscape of the universe, this dimension and the ones before:
The new fate, the destiny and the new role of humans beings can be summarized as follows:

- a-The Anunnaki will develop for the human beings, a gradual and systematic plan to reach the ultimate level of awareness, understanding of the universe, and living in absolute harmony and elegant synchronization with the cosmos; b-The Anunnaki will guide humanity toward the ultimate purpose and target of the creation,

when they reach higher dimensions of existence: Perpetual happiness, peace, love, quasi-immortality, a state of mind free of illness, diseases, financial worries, aggression, wars, physical pain, ignorance, and above all the attainment of “Ra-hat Dae-mat”, which means state of perfection and perpetual knowledge.

This is what is going to be the fate of all humans. They were not created and placed on Earth to accomplish and attain all these wonderful things, but finally, the Anunnaki decided to facilitate the process by which all humans can reach ultimate peace, knowledge and happiness.
Nobody else in the whole universe will stand by the human race to achieve this, except the Anunnaki.
The Anunnaki are humanity’s only hope and salvation.

Ulema Mordechai ben Zvi said:

- 1. Not everything in the Bible is factual.
- 2. Some passages are the product of a vivid imagination and very colorful fabrication, such as the Genesis, the story of the creation of Adam and Eve, the Exodus, the Ten Commandments; the story of Jericho; The story of Sodom and Gomorra, so on.

Question #8: Why don't they show themselves to people who seek?

Answer of the Anunnaki-Ulema
Ulema Mordechai ben Zvi said:

- 1. They did! The two big questions remain: Who are the true seekers? Who are those who are entitled to?
- 2. They have revealed themselves to the Mounawariin (Enlightened ones), to the Taa-'hiriin (The Pure ones), and to the Anunnaki-Ulema.
- 3. It is not enough to seek. You have to be 100% pure in thoughts, feelings, intentions and deeds.
- 4. And your mind's Araya and Conduit must be fully activated.
- 5. Are the Mounawariin 100% pure? Yes, they are. And is it possible to reach perfection and ultimate purity on Earth and/or in other dimensions? Yes, it is possible. We are not talking here about physical purity and physical perfection, but about the mental/spiritual ones.
- 6. How could you reach these ultimate standards of perfection and purity?
- 7. The Anunnaki-Ulema have taught for centuries, and still teach relevant techniques and methods.

On the Bando Project, and the study of the anatomy of dead aliens' bodies, and extraterrestrial survivors

Note: Questions sent by Emanuel Pravo, Milan, Italy.
Questions:

- **1. What was the purpose of the Bando Project?**
- **2. Is this secret project still going on?**
- **3. What were the findings and results of the project Author's note: No need to ask the Anunnaki-Ulema, for I have addressed the issue in my previous books. Here are some brief excerpts:**

Bando Project:
I. Definition and introduction
II. Allegations

III. Former double agent’s claims
(CIA, KGB, MI5, Moscow Academy of Medicine) V. The Russian newspaper/website Pravda article

---

I. Definition and introduction:
Project Bando was established in 1949, for the purpose of studying the anatomy of dead aliens’ bodies, and extraterrestrial survivors who were found on the site of two alleged UFO’s crashes in the United States. Allegedly, CIA’s files show that Bando Project medically examined aliens, named in the CIA’s report as EBE (Extraterrestrial Biological Entities).
The Project supplied the United States government with “essential medical and anatomic data on aliens, and provided some answers to the theory of evolution.” The program was allegedly terminated in 1974.

II. Allegations:
Insiders claimed that Bando Project is an “on going process” under various names; one of them is called Project Nomad. An insider alleged that FBI director J. Edgar Hoover called the CIA and wrote to them many times, asking for “copies of the report on the recovery of the aliens’ bodies, and the medical report of the examinations of the EBEs.”

The insider added, “The Director was so upset…he got nothing from them, then the CIA told the Director to make a call to Gen X., who was in charge of the project.
They gave him his name and telephone number. The CIA told the Director that they had no interest in all this. The Director called the base and he spoke to the general. I don’t know what they talked about. Later on, we learned that the bodies of the aliens were in the Blue Room…”

III. Former double agent's claims:
(CIA, KGB, MI5, Moscow Academy of Medicine): In 1978, a former double agent (Now in retirement in Budapest) said (In his own words): "The CIA people were working on the Bando Project, and did medical examination of the bodies of the dead aliens at Langley. I know that because the KGB infiltrated the CIA, and one of our agents (Meaning a Russian) knew all about it.
He reported to the KGB and to Moscow Academy of Medicine. Something else I can tell you, they made two films of the autopsy and another fake one. At the beginning we did not know which film was the real one.
The fake copy was well-done, professionally looking.
The Moscow Academy of Science got a copy of one of the films. Later, a colonel from the KGB sold a copy of the film to MI5 (UK's security intelligence agency) for $10,000. I know this happened, because I saw a slip deposit from Moscow Narodny Bank.

IV. The Russian newspaper Pravda account:
Ironically, perhaps coincidently, in 2004, the semi-official Russian Pravda newspaper published the following article (As is, unedited, and as it appeared in its English version.
Do you remember that 10 years ago the old black-and-white film about the postmortem examination of the alien in the USA in 1947 was broadcast all over the world?

Headline: CIA and KGB were fighting for alien's dead body.
Text: Americans did their best to persuade the world that the film was a forgery, but failed. The tape, the camera, the medical examiners' instruments – all this was authentic", says Boris Shurinov, Chairman of the Russian UFO Society.

He has been collecting the materials on UFOs for many years. To distract people from their film, Americans made

another one – about the postmortem examination of the alien in the Soviet Union.
"The idea of the movie with James Bond as its main character was about “flying saucer’s” crash in the USSR, and all the footage of the incident was allegedly banned from the public by KGB.
Then the brave Americans purchased this secret archive from the corrupted Russians to familiarize public with it”, says Boris Shurinov. "According to the movie, the disc fell down near the city of Sverdlovsk in November, 1968. They found it in March, 1969, KGB people arrived, the spot was encircled”.

"I conducted investigation and discovered that the movie was a forgery. I found out that the “secret filming of 1969 took place in 1998 in the base of Mosfilm company in the town of Alabino, Moscow region. “The flying saucer was made of foam plastic”, says Mr. Shurinov."
I even discovered that the filming of the “alien dissection” took place in Moscow Academy of Medicine, and even found the desk the “alien” was put on.
After that, at many international conferences of UFOs, I denounced this forged movie and the key liar – US expert on UFOs Paul Stonehill. However, I was not successful, as they called me a KGB man and anti-Semite (as Mr. Stonehill is a Jew, and I was denouncing him)”.
According to Boris Shurinov, "95 per cent of the stories on UFOs are lies, but there is a fraction of truth in them. Americans faced this problem in the mid-40s. In 1942, US President Roosevelt received a note about a sudden air-raid warning:
On February 25 many flying objects appeared in the sky over Los Angeles, air defense forces decided that these were Japanese aircrafts and started shooting at them, but missed all the targets.

In 1947, US press registered more than 850 cases of UFO observation mentioning.
Americans started accusing the Soviet Union of testing its new aircrafts over the US territory. Soviet Vice Consulate had to make a statement that “the USSR respects the sovereignty of all the states, and no way it could use other countries’ territory as a testing ground.
The Soviet Union has more than enough on its own territory for conducting scientific research”. At some point, as the interest in UFOs was growing, UFO “experts” were inventing more and more stories, and it became hard to distinguish real stories from lies.

On “Barage Europa” (Extraterrestrial tunnels/structures)

Question: I heard once Mr. de Lafayette talking about Barage Europa. I missed the beginning of his speech. What did he mean by Barage, and is this Barage related to extraterrestrial structures on Europa near Jupiter?

Author's answer:
Barage Europa is a term used by Russian cosmonaut to refer to extraterrestrial tunnels and structures on other planets. Some "spiritualists" locate these tunnels under water in the Atlantic Ocean.
Rubén Sobrino, a noted ufologist and a member of SEIP, reported, as is, and unedited: "On January 16 of this year, almost all the newspapers in our country echoed the same remarkable news item from Moscow, carried by the prestigious EFE news agency.
The agency in question disclosed certain controversial statements made by Russian astrophysicist Boris Rodionov to Moscow's Komsomolskaya Pravda, in which he claimed to have proof of the existence of "a highly developed extraterrestrial civilization on one of the satellites of the planet Jupiter.

The astrophysicist also claimed that the enigmatic "flying saucer" phenomenon which has stimulated popular imagination worldwide could well be "outriders for this civilization."
Wielding a vast amount of scientific data and photographs transmitted by NASA's "Galileo" probe, Rodionov, a professor of Microphysics and Cosmophysics of the State Institute of Physical Engineering, stated that Europa, smallest of Jupiter's four main satellites, "was inhabited by an ancient and technologically advanced civilization."

Through the use of a high-powered computer and sophisticated photographic analysis technology, the scientist managed to obtain a close-up with a record-breaking resolution of nine kilometers from the satellite's surface, enabling him to make out the contours of what he calls pipes, tunnels and spherical domes.
The photo clearly shows--according to Rodionov--that the lines formerly considered as mere fissures by the scientific community actually cross over each other like a knot of expressways.
According to Rodionov, the variety of "pipelines" and "tunnels", having a diameter similar to the Channel that crosses the English Channel, is surprising. "There are 100 kilometer segments, as well as other pipelines having immense junctures or orifices between them."

Anyone may join the controversy, since the image in which Rodionov claims to see the aforementioned pipelines and tunnels is available to anyone having Internet access and a simple photo retouching program capable of analyzing it.
The photo, which is available from the NASA/JPL net server that provides images for the "Galileo" mission, in fact portrays a number of lines (fissures, in fact) which cross each other but never at different elevations, as the scientist has claimed.
Having a width of approximately 20 to 40 kilometers, and thousands of kilometers in length, it is believed that the fissures are attributable to a period of global expansion on Europa, caused by volcanic eruptions or geysers under its frosty surface, creating a series of fractures on the ice crust.
This news item would not go beyond being an amusing anecdote, were it not for the fact that it is the first time that a person related to the armed forces or the Russian Space Agency made similar statements to the press.”

On Mu, Anunnaki's interference in Earth's affairs, the reptilians, departure and return of the Anunnaki, God, religions, and life after death

Questions asked by Ismail Kemal Ciftcioglu, Turkey. (Unedited, and as received):

Question #1: This is the most important question for me. In any of the books I read, I haven't come to an information about lost continent of MU's connection with the Anunnaki. I assume you know lots of things about it.

According to James Churchward's books, MU was even older than Atlantis and home of the human civilization. Humans migrated from MU to all over the world. But we know that Anunnaki were in Mesopotamia. So what about it? What can you tell me about the lost continent of MU?

Answer of the Anunnaki-Ulema:

According to the legend and esoteric myths, Mu was a large continent of an advanced civilization. It sunk in the ocean many thousands of years ago. The story or Myth of Mu appeared for the first time in the 19th century, thanks to the writings of Augustus Le Plongeon (1825-1908), who claimed that the survivors of Mu went to the Americas and established the Mayan Empire.

Then, in the first half of the 20th century, the prolific writer and visionary extraordinaire James Churchward popularized the story of Mu in a series of books he wrote: **"**The Children of Mu" published in 1931; "The Lost Continent of Mu" published in 1933, and "The Sacred Symbols of Mu", published in 1935. And in the 1930's, Kamal Atatürk (Baba

Kamal) then leader of Turkey, your majestic country, generously funded an academic and scientific research on Mu.

The great Turkish leader thought, that maybe, he will be able to establish a direct link or some sort of connection betweek Turkey and the word's first civilizations that could include the Aztec, and the Maya. Unfortunately, all attempts to prove the existence of MU failed.
However, Ulema Sharif Al Takki Al Zubyani (1797-1877) stated that Mu did exist some 50,000 years ago. He added that the original name of Mu was Mari, and it was inhabited by people who were very advanced in "Ilm Al Falak", meaning space science. An enormous explosion happened on the continent, caused by the reflections of lights and rays emitted by gigantic "Miraya", which means mirrors.

Coincidentally or strangely enough, the Anunnaki and Ulemite literature referred to Miraya as a galactic tool used to receive and emit cosmic messages, a sort of beam (Possibly atomic or laser), as well as to record and decode events from the past, the present and the future. Al Zubyani added: "Those mirrors were also used as weapons, and if they are not handled properly, they could destroy a whole country."
Those who know Arabic, including the archaic dialect of the Arab Peninsula, and Ana'kh will find out that there is a very close relation (Perhaps linguistically only) between the Name Mari and the Arabic, pre-Islamic word Mir'aat (Mir'-aat and Miraya) which means in both languages (Ana'kh and Arabic) mirror.
Strangely enough, the French word "Miroir" and the English word mirror derive directly from the Ana'kh (Anunnaki language) Miraya.
So here we have a million year old Anunnaki word "Miraya", a 50,000 year old name "Mari", a 7,000 year old Ulemite

word “Mirra-ya”, and a 5,000 year old Arabic word Miraya! Any connection?

Where Are the Anunnaki?

Question #2: Where are the Anunnaki right now and why don't they interfere on our planet anymore?

Answer of the Anunnaki-Ulema:

- 1. The Anunnaki are on their magnificent planet; Ashtari
- They no longer interfere in humans’ affairs for many reasons, to name a few:
- a. They are not interested in the human race, as they used to do thousands of years go, however, there are new serious concerns that made them monitor Earth and the human beings at distance.
- b. Earth is no longer one of their kingdoms (Or colonies);
- c. Earth does not meet their needs, supply them with what they need, or provide them with any significant resource(s);
- d. The Anunnaki do not need humans for any reason;
- e. The Anunnaki do no longer need the human beings as a labor force.
- f. The Anunnaki have finished their job on Earth.
- e. Grosso modo, neither Earth, nor the human beings are essential, meaningful or important to them, because you the human race and your planet Earth can offer nothing to the Anunnaki, at any level, whether it is culturally, scientifically, technologically, genetically, philosophically or galactically.

However, you have to keep in mind, that the Anunnaki are now very concerned about humans’ DNA contamination, and the operations of the Grays on Earth.

These basically are the two principal reasons, why the Anunnaki are going to interfere in humans' affairs and Earth's condition, not now, but in the very near future. 2022 is the year and the time of the return of the Anunnaki to Earth. And you are going to have plenty of interferences from them.

Question #8: Do you know anything about old Turks named Gokturks?

Answer of the Anunnaki-Ulema:
It is very important to learn and to remember that pre-historic Turkey as one of the strongholds and colonies of the Anunnaki. The early Hittites who lived in Turkey, and who have estalished one of the most formidable kingdoms on

Earth had a close relation with the second expedition of the Anunnaki to planet Earth.

The very ancient Turkish word Göktürk mean “Heavenly Turks”. Surrounding countries, and particularyly the Chinese in years to come called them “The Blue Princes”, “The Blue Turks”, and the “Celestial Blue People”. It was told by Ulema Seif El Dinn Shawkat, that the Göktürk have inherited Ana’kh manuscripts given to them by the Arwadians.
The early Arwadians are acknowledged by the Anunnaki-Ulema to be the direct descendants of the Anunnaki. Here once again, we find a link between the ancient inhabitants of Turkey and the remnants of the Anunnaki.

On teleportation (Barka-kirama)

Questions:

Question #1: What is the technique called Barka-kirama, Anunnaki-Ulema use for teleportation?
Question #2: Please define Barka-kirama.

Note: The following essay should answer your questions. It is taken from my book “Book of Ramadosh”.

Barka-kirama:
Ana’kh. An Anunnaki extraterrestrial expression.
I. Definition
II. In ancient Middle Eastern literature
III. The concept
IV. Tay Al Ard, self-teleportation and Alkiramat “Keramat”

I. Definition:

A blessing or an enlightenment (Tanwir) technique that develops teleportation.

It is composed of two words:
- **a**-Barka, which means blessing.
- **b**-Kirama, which means good deeds.

II. In ancient Middle Eastern literature:

Barka-kirama is a very important and a primordial Anunnaki’s expression, because it is closely and directly

related to Tay Al Ard, and Tay Al Makan, which mean teleportation. Tay Al Ard is an Ulemite/Arabic word. It is a metaphysical experience that produces a teleportation phenomenon; a secret esoteric practice of the Ulema and Allamah.

From Barka, derived:

- **a**-The Hebrew words Barak and Baraka (Blessings).
- **b**-The Arabic Baraka and Brakaat (Blessings).

From Kirama, derived:

- **a**-The Persian Keramat (Good deeds).
- **b**-The Arabic Kiramat (Honorable deeds).

III. The concept:

At one time, Barka-kirama, Tay Al Ard, and Tay Al Makan, were a mixture of elements and esoteric substances used by Quelthulian ritualists in their teleportation experiences and experiments.

The Ulema claim that they have learned its secret and how its works from the Rou-hi-yin who are supreme beings from the Fifth dimension.

When Islam became a major religion in the Near East, and the Middle East, Tay Al Ard was banned by Prophet Muhammad, who called its practitioners “Min Ahl Al Nar”, meaning verbatim: Those who are from fire.

Fire meant hell, or the kingdom of Al Shaytan (Satan, the devil).The Arabic pre-Islamic word Ulema was replaced by the Arabic Islamic word Allamah or Al Hallama. However, the Ulema and the Allamah were very different from each other in many ways.

The Ulema remained the custodians of the Anunnaki’s secret knowledge and esoteric powers, while the Allamah were considered as the “Alamin”, the learned ones and leading figures of letters, literature, science and religion.

Nevertheless, many Muslim teachers and spiritualists remain Ulema at heart. Many of them - secretly of course - joined the circle of the non-Muslim Ulema to learn the ultimate knowledge acquired from non-terrestrial beings.

The Suphists were the first to join the Non-Muslim Ulema. Worth mentioning, that around, 850 A.D., Ulema and Allamah were semantically overlapping each other. And both words came to mean or express the same thing in the eye of Arab scholars, and in the Islamic world. Many Soufiyyin (Sufis) by joining the Ulema, learned some of the secrets of TayAl-Ard. They called it: “Tay Al Makan”, meaning the folding of space.

It is composed of two Arabic words:

- **a**-Tay, which means folding or to fold.
- **b**-Al Makan, which means the Space; the location; the place.)

The Sufis replaced the word Al Makan with the word Al Ard.
The general meaning of Tay Al Ard or Tay Al Makan is to traverse the earth without moving. Al Munawarin claim that instead of physically moving from one place to another, an enlightened person can bring to himself, to where he is standing, the place he wanted to reach.

In other words, the earth of the place to reach has been displaced under the enlightened one’s feet. Ironically, this pre-Islamic concept is now fully accepted by Muslim clerks, Cheiks and teachers of the Islamic Shari’a and Fuk’h, grouped together under the umbrella of Al Allamah.
Ulema or Allamah Qadhi, previously one of the leading figures of Allameh Tabatabaei explained Tay Al Ard as the termination of matter itself in the original location, and its re-appearance, manifestation, and re-creation in its final location, the place one wished to reach.

The Iranian Dehkhoda dictionary defined Tay Al Ard as: “An aspect of Keramat “Kiramat” (Extraordinary deeds of saints and holy people) in which instead of going toward a destination by taking a step forward, the earth turns itself toward the traverser rapidly, in a blink of an eye, regardless of how far the destination is." Ulema Ibn Al Nadim bin Ishaq al-Nadim (a.k.a. Al Warrak died on September 17, 995. He wrote the Kitab al-Fihrist.) explained this phenomenon by citing verses from the Quran, taken from Chapter Al Naml; Verse: 27:38: Solomon said to his men: “O Chiefs, which of you can bring me the throne of Queen of Sheba before she and her envoys come to me in submission?”
Verse 27: 39: "Said an 'Ifrit of Al Jinns: “I will bring it to thee before thou rise from thy council. In fact, I have full power for this purpose, and may be trusted.”
Verse 27:40: “Said one who had knowledge of the Book: “I will bring it to thee within a blink of any eye!” Then when the sage Solomon saw it placed right before him, he said: “This was done by the authority of God all mighty, my Lord.”
Some Middle Eastern sages and teachers of religious esoteric dogmas suggested that according to these verses, the Ulema Asif ibn Al Birkhia teleported the throne of Queen of Sheba almost instantaneously, in a blink of an eye.
This was confirmed in a Hadith (Dialogue, a chat, or a discourse) by Jaafar Al Sadiq.
Allamah have explained this teleportation phenomenon very differently. They claimed that the teleportation occurred because Ulema Asif ibn Birkhia used one of the secret “Asma Al Allah Al Sab’a Al Husma.” (One of the seven secret names of God.) The knowledge and use of one of the secret holy and lovely names of God allowed Ulema Asif ibn Birkhia to teleport the throne.

The Ulema, students of the Anunnaki, briefly explained this phenomenon. Ulema Cheik Al Kabir said (Verbatim): “Time is

represented with 2 lines not perfectly aligned; one for you, the other for “what is not you.”

Space is represented with two circles; one for you, the other for what is not you. If you manage to place yourself between one of the two lines and one of the two circles without touching the other line and the other circle, you will conquer time-space.” The Taj Baba explains Tay Al Ard as the elapse of time and distances in the vicinity, and to reach far distant places in a flick of an eye.

It also means the transport for others to get there, and to call far distant things to become close at hands through the Karamat. It is a tradition and ritual practice related to Aulia Allah (Friends and favourites of God) that allow them to reach any place in the world instantly. The distance-time and places are wrapped up in a flick of second, and cross all that at once.

IV. The Tay Al Ard, self-teleportation and concept of the Alkiramat “Keramat”: Alkiramat “Keramat” is a Farsi (Iranian) and Arabic term meaning holy deeds that allow teleportation. Literally (Folding up of the earth) is the name for thaumaturgical teleportation in the mystical aspect of Islamic religious, esoteric, metaphysical and philosophical traditions.

In 2004, in a report to the United States Air Force (Dubbed: AFRL-PR-ED-TR-2003-0034), Dr. Eric W. Davis recommended the study of teleportation, which he defined as “The conveyance of persons or inanimate objects by psychic means.”
Being an allegedly esoteric knowledge by nature, it is not known exactly how it takes place, but theories and explanations abound. The most prevalent theory has to do with the concept of consciousness and will. The person

wishes to be some place, and he is then simply there an instant later.
This view can perhaps be understood from the perspective of Western philosophical idealism, where esse est percipi: If space does not have an objective reality, and reality itself is thought of as observer-based and a subjective entity, then ideas such as moving in space without actually physically moving are no longer unchartered possibilities. “

In addition, the jinn are believed to possess this knowledge of transportation, however in a limited amount, according to the Allamah. Famous Sheikhs, Imams, and prominent figures such as Abusaeid Abolkheir or Rumi or Ak-Khidr, were believed to possess kiramat, and writings from medieval Islam are full of stories and reports of certain individuals possessing such a trait.

On the various aliens capabilities of learning many languages and ways of using their methods to learn these languages

Note: Questions from Katy Fish, New York, and Wisconsin, USA.

Question# 1: How do all the various aliens know so many of our languages?

Author’s answer:
The Ana’kh was the Anunnaki’s language on Earth for thousands of years. The early Mesopotamians, Phoenicians, inhabitants of Arwad, Ugarit, Amrit, Atlanteans, Hittites (Ancestors of the Turks), the early Hyksos (Ancestors of the Armenians), spoke Ana’kh.
In ancient and modern languages, in Eastern as well as in Western languages, you would find more than 7,000

Anunnaki’s (Ana’kh) words, sometimes, Anunnaki’s expressions and paraboles.
I wrote 2 volumes dictionary (Published) on the Anunnaki extraterrestrial and terrestrial languages, and established a parallel between the Anunnaki’s languages and the languages on Earth from the dawn of the creation to the present.
Thus, all our languages originated from the Anunnaki’s language. This, should explain in part, why the “Aliens, as you called them” are familiar with “so many of our languages.”

The Anunnaki’s language (Ana’kh) had a major linguistic and epistemological influence on the languages of the ancient world, as well as upon the civilization, culture and religions of the ancient Near and Middle East, including but not limited to the Phoenicians, Sumerians, Assyrians, Akkadians, Babylonians, Mesopotamians, Copts, Hittites, Egyptians, Arabs, and Hebrews.

Many of the Ana’kh words entered the early languages of those civilizations, and from the original Ana’kh, derived thousands of ancient Semitic and non-Semitic words and expressions, some very noticeable in Akkadian-Sumerian epics such as the Epic of Gilgamesh, and Enuma Elish, as well as in the Epic of the Phoenician Cosmogony.

For instance:

- **1**-The Ana’kh word **Ab,** meaning father became Ab in Arabic, Abu and Abuya in Aramaic, Abba in Hittite, so on.

*** *** ***

- **2**-The Ana’kh word **Agirim,** means first baked clay.

Composed of two words:

- **a**-A, which means first, - **b**-Girim, which means clay.

From Agirim, derived the Sumerian, Babylonian, and Akkadian word Girim (Clay).

*** *** ***

- **3**-The Ana'kh word **A-kel** means food.

From A-kel, derived the Sumerian Akalum, and the Arabic Akel, which mean food.

*** *** ***

- **4**-The Ana'kh word **Amamu**, means a front.

From Amamu, derived the Arabic word Amam, which means ahead; in front, and the Akkadian/Sumerian word Elamu, which means front.

*** *** ***

- **5**-The Ana'kh word **Amram,** means good subjects of the Anunnaki's leaders; good union; highly developed communities.

Composed of two words:

- **a**-Am (Good; kind.) - **b**-Ram (People; community; population; tribe.)

In Biblical studies, Amram means high people; kindred of the High; friend of Jehovah.

In primitive Arabic, Ram meant: People; group.

Henceforth, the name of the Palestinian city Ramallah could be interpreted as the people of God, since Allah means to the Arabs and Muslims, what exactly the word Jehovah means to the Jews: God.

When Enki or Ea called upon Avraham, he told him: I am your god, and I am now changing your name from Av-raham to Ab-Raham, because you are going to lead my people as the father of my people on earth. Av became Ab. And Ab in all the 14 different ancient languages of the Near East and the Middle East means father.
From the Ana'kh Ab, derived the words: Ab, Abu, Abi, Aba, Abba, Abuya, Abouna; all meaning the very same thing: Father. And from the Ana'kh word ram, derived the ancient Hebrew, Aramaic and Arabic word Ram: People.

Centuries later, Ram acquired a multitude of meanings.
For instance:

- **a**-In ancient Hebrew, Ram is pleasing.
- **b**-In Sanskrit mythology, Ram means supreme.
- **c**-In the pre-Islamic Arabic era, called Al-Gahiliya "Jahiliya" (Years of darkness), Ram meant a group of people. Synonym: Ra'bh.

From the Ana'kh Ram, we have today, the Arabic Ramy and the Spanish Ramos. In ancient times, the early Armenians called themselves the people of Ram.

*** *** ***

- **6**-The Ana'kh word **Aneshtu:** Knowledge; alert mind.

From Aneshtu, derived the Chaldean, Akkadian and Sumerian verb Neshtug (To understand).

*** *** ***

- **7-** The Ana'kh word **Anganzir:** First Night; first darkness.

Composed from two words:

- **a**-An, which means first; the one.
- **b**-Ganzir, which means darkness.

From Aganzir, derived the Sumerian words Agenzer (Darkness) and Ganzir (The world of the dead.) **9**-The Ana’kh word **Annas-shim**, means group of passengers; group of people. From Annas, derived the Phoenician word Anat, which means people, and the proto-Arabic word Annas or An-naas, which means people; humans; groups gathering. It is still in use in contemporary Arabic.

*** *** ***

 1o-The Ana’kh word **Aruru**, means creative force; the creator of life. From Aruru derived the Arabic word Rouh, and the Aramaic-Hebrew words Rouach, Rouah, Rohka, meaning soul.

*** *** ***

 11-The Ana’kh word **Asangari** or A**skari** means soldier; warrior. From Asangari, derived the Turkish and Arabic word Askari, which means a soldier. The Ana’kh word Askari appeared in several Semitic and Middle Eastern languages, including Turkish, Swahili, Nabatean, Arabic, Persian, and Somali.

*** *** ***

 12- The Ana’kh word **Ashirach**: A prisoner. From Ashirach, derived the Hebrew and Arabic words Asir.

*** *** ***

 13- From the Ana’kh word Arda**,** derived the Hebrew word Eretz, and the Arabic word Ard which mean earth, or soil.

*** *** ***

 14- The Ana’kh expression **Baliba nahr usu na Ram**.
Translated verbatim: “The water of the river purified my people.” Attributed to Sinhar Marduchk in the Book of Rama-Dosh. Baliba means flows of waters. Nahr means river (Same meaning in Hebrew, Phoenician and Arabic).
Usu means to clean or purify.
Na means my or our.
Ram means people (Same meaning in Phoenician, primitive Arabic, early Armenian and ancient Hebrew).
The Ana’kh word “Usu” also means to dig.
We find similar meaning in the Annals of Sardanapalus: “Nahrtu istu nahr zaba anta ahri nahr babilat kanin sumsa abbi.” Translated verbatim: “A river from the upper Zab I dug and its name I called.”

***** *** *****

 15-The Ana’kh word **Banati:** Daughters; girls.
From Banati, derived the Assyrian word Banati (Women), the Arabic and Hebrew words Bint and Banat (Girls).

Note: I could cite up to 7,000 Anunnaki’s words that created 23,000 equivalent words used today in the Western and Eastern languages, but the book space limitation would not allow me to do so.
Please refer to my books: “Anunnaki Dictionary Thesaurus. Ana’kh: Language of the Extraterrestrial Gods and Goddesses”, and “Anunnaki Language and Vocabulary.”

On aliens' abilities of speaking many of our languages:

As to the languages of other extraterrestrial races, and aliens' abilities of speaking many of our languages, Ulema Oppenheimer has said that aliens can record on their Miraya and grids, all the dialects and languages on Earth in a few seconds, code the accents and words pronunciations (Dictions), rewind everything they have recorded, and speak to you in your language. And if they miss a word, they can transmit it to your brain telepathically and you wouldn't know the difference.

Question #2: Is there a way for us to learn using their methods?

Asnwer:

- 1. Absolutely. There are two Anunnaki-Ulema techniques that allow you to learn many languages in no time.
- 3. The first one is called Jisru, which means bridge in Akkadian, Sumerian, Assyrian, Old Babylonian, Arabic, Ulemite and Ana'kh.
- 2. There is a bridge between all Eastern languages.
- 3. There is a bridge between all Western languages.
- 4. When you cross the bridge, all affiliated languages will be instantly absorbed by your mind.
- 5. The second technique is called "Ilmu or Dirasa Fik-riya", which means the mental study. More precisely, the activation of your mind.
- 6. Both techniques will easily allow you to learn up to 24 languages in less than 2 weeks.

Question #3: It would make the world a much better place if everyone could understand each other.

Answer:

- 1. That is correct.
- 2. But understanding each other is never enough. We should love each other unconditionally.
- 3. And there are two rapid ways to do it: - a- To start to feel the pleasure in the pleasure of giving; - b- To forgive as much as you can, and help everybody without restriction, especially those who cannot return the favor.

On super tall beings, Coral Castle, Admiral Byrd, animal mutilations

Note: Questions from Ms. L., who did not want to reveal her identity, and who asked me not to mention her name in the book.

Questions:

Question #1: What is known about The Big Boys...the super, super tall beings that are like no other entities?

Answer:

- 1. In ancient times, they were called the giants (Biblical Giants), as well as Gibborim, Jababira in Hebrew, Aramaic, Syriac, Assyrian, and Arabic, and Bene ha Elohim by the Habiru (Early Hebrews) and the Jews of Babylon. Alternate names: Anakim, Raphaim, Nephilim, Anunnaki, Anuki, so on.
- 2. In modern day ufology, theories about them are endless, and are not worthy of any discussion. 99.99% of what you read about Anunnaki (Articles, reports, blogs, and personal opinions and vicious attacks on the Anunnaki) are silly and FALSE, even if they were written by famous authors, college professors and so-called authorities in the field.
- 3. There is no such thing as "An authority on the Anunnaki", unless the author of those articles, claims and opinions:

1-Knows very well the Akkadian language;

2-Has demonstrated linguistic expertise in Akkadian, Old Babylonian, Sumerian, and Assyrian languages. This expertise is accepted if the author has taught these languages in accredited institutions, and/or has either

deciphered the cuneiform clay tablets, translated them, published his or her translations with reference to the original texts and their transliteration, or simply wrote dictionaries and lexicons on these languages.

How many people do you who have accomplished that?
I do know some, and I have read outstanding work done by illustrious researchers, authors and linguists. But this literary elite vintage has faded away, longtime ago!!

3-**Has spent meaningful and extended time (Not less than 5 years) in the Middle East and the Near East**, researching, and/or participating in any of the following activities and projects belonging to: archeology, anthropology, regional history, linguistic studies of the modern, ancient and vanished languages of the regions.

4-**Has visited museums and institutions of learning displaying the ancient clay tablets**, and conferred with curators known for their expertise in the field.

5-**Has been trained, oriented and accredited by the Anunnaki-Ulema.** Allow me to point out that there are 700 Ulema worldwide, and 200 Anunnaki-Ulema Mounawariin. Have those authors previously mentioned, and those Internet mental cases bloggers, nerds and wacki-wackos been trained by or accepted by the Anunnaki-Ulema, or published any book or dictionary on the languages of the Mesopotamian clay tablets, history religions, culture, folklore, mythology and civilizations of the ancient kingdoms in the Middle East and Near East?
Have they??????
Show me one who is still around!

Question #2: Who were the beings who lived in the caves in the American southwest which were discovered apx 100 years ago by the Smithsonian explorer?

Answer:

- 1. They are not extraterrestrials.
- 2. They simply belong to different human races.

Question #3: **Does LaFayette have any theories as to how 'coral castle' was built?**

Answer:

- 1. I am fully convinced that the very loving and the very peaceful, the late Mr. Edward Leedskalnin has built his most unusual castle using levitation.
- 2. One week before he was attacked and murdered by a gang of losers and drifters, he told Master Sorenztein how he managed to transport his initial castle to where it is located now, and demonstrated to him how the huge stones were lifted.
- 3. It was said that Mr. Edward Leedskalnin has acquired these supernatural powers from learning the Tay Al Ard techniques from the honorable Master Naphtali ben Yacoob, a colleague of the honorable Anunnaki-Ulema Rabbi Mordecai ben Zvi in Latvia. Master Mordecai was born in Latvia.

Question #4: Does LaFayette have any theories as to the meaning of the crop circles?

Answer:

- 1. The simple and ugly ones are man-made.

- 2. The ones with quasi academic and popular patterns are made by academicians, skeptics, and “challengers”. You know what I mean.
- 3. The ones with spherical and “propagated” designs, forms and patters are made by elements of the nature, including weather, some kind of vortexes, space, atmospheric conditions, and additional anomalies.
- 4. Those which could be equated and/or associated with mathematical symbols and scientific languages are made by intelligent forces, and higher elements that manifest their presence occasionally for the purpose of guiding and stimulating the human intelligence.

*** *** ***

Question #5: What is really going on, on the moon?

Answer:

- 1. Mind-boggling and unbelievable projects, activities and secret operations, I am not allowed to talk about.
- 2. I do not wish to jeopardize and/or threaten my safety, security and sanity!

*** *** ***

Question #6: Is there anything to the theories regarding what Admiral Byrd saw from the plane at the South Pole and the reports from places like Mt Shasta?

Answer:

- 1. Absolutely! More than you think.
- 2. My book “De Lafayette Mega Encyclopedia of UFOs, Extraterrestrials, Aliens Encounters & Galactic Race.” contains hundreds of pages on this subject, with mind-

bending facts, findings, data and secret reports.” Please refer to it.

*** *** ***

Question #7: Who or what is really doing the animal 'mutilations' and for what reason?

Answer:

- 1. The Grays, and some para-military units.
- 2. Again, I can’t talk anymore about this subject.
- 3. I want to be always “welcome” in the United States!
- 3. However, you can still read what I have written on animal mutilations, before I came to the United States.

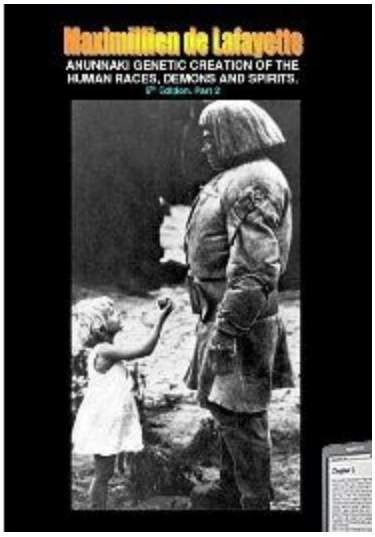
Available at amazon.com and lulu.com



Cover of Vol. 1 Cover of Vol. 2

Anunnaki Genetic Creation of the Human Races, Demons and Spirits. 5th Edition. (In 2 Volumes)
The book IS EXPLOSIVE and AUTHORITATIVE! It contains hundreds of photographs, illustrations, maps, sketches and inscriptions, tablets and slabs translated from Sumerian and Akkadian by the author, a world authority on ancient languages and Anunnaki.

5,000 year old tablets demonstrated that WE ARE NOT CREATED BY THE GOD OF THE BIBLE. We were genetically created by the Anunnaki. This book has all the proofs to convince you once for good! The Anunnaki created the human race, God, Gods, angels, spirits and demons before the dawn of the history of Man. Don't be offended, GOD was created by the Egyptian priests, and the Mesopotamian myths/epics. And organized religions are cashing on it!
The extraterrestrials created many species and different human races here on planet Earth. But there are other early human beings who were created in space, and on other planets, and like the very small and very tall species, they were not part of the evolutionary process of the modern human beings. In total, 36 (some say 46) different human and quasi-human species lived on planet Earth in many regions of the globe. And none of them were created by the "God" we know and worship. After all, they did not look like humans, and if we have to

believe that humans were created in the image of "God", as Judaism, Christianity and Islam tell us, then, most certainly those early 36 different species who looked like ferocious beasts, were not made in the image of "God".
The Anunnaki, Igigi and other extraterrestrial civilizations created several models of early human beings, Negative entities, reptilians, Djinns, Afrit, evil-birds, and demons which live in the lower sphere/zone (Alternate dimension), and on Earth Also you will read about:
Names of the Anunnaki gods and goddesses who created the first humans, and the genetic creation of the human race
The Igigi who created the first quasi human/robots
The Akkadian text on the creation of Man
Anunnaki geneticists who developed DNA sequences, and altered the genes of hybrids
The early human forms
The Earth-made human creatures
The Space-made human creatures
Metabolism and the oceans-made human creatures
Evolution of the extraterrestrials and the human races
Negative entities, reptilians, Djinns, Afrit, evil-birds, and demons which live in the lower sphere/zone (Alternate dimension), and on Earth
Anamidra explains the creation of Man from cosmic clay
Copies of the universe, including copies of ourselves, and Earth in other dimensions
Dual nature of humans, before they were separated genetically
"Grays": Intraterrestrial non-human
How the Anunnaki created us genetically in their laboratories.

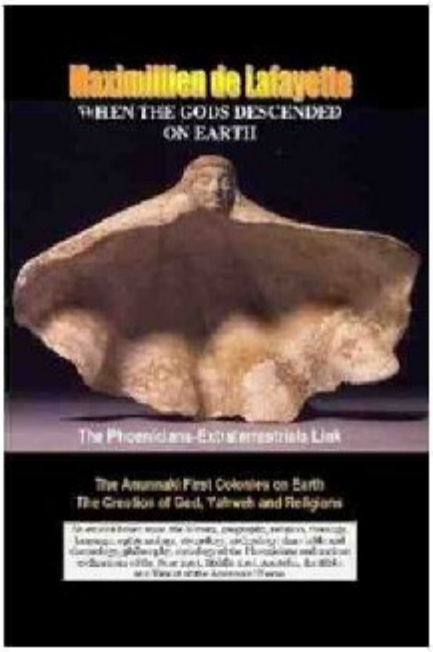
WHEN THE GODS DESCENDED ON EARTH: The Phoenicians-Extraterrestrials Link (2 Volumes in paperback)



Maximillien de Lafayette
WHEN THE GODS DESCENDED ON EARTH
The Phoenicians-Extraterrestrials Link
The Anunnaki First Colonies on Earth
The Creation of God, Yahweh and Religions

Cover of Vol. 1

Cover of Vol. 2

It includes hundreds of photos and illustrations. An exposé based upon the history, geography, religion, theology, languages, epistemology, etymology, archeology, time-table and chronology, philosophy, sociology of the Phoenicians and ancient civilizations of the Near East, Middle East, Anatolia, the Bible, and Kira'at of the Anunnaki Ulema to prove that the Extraterrestrial Gods descended on Phoenicia and how the Anunnaki shaped our history, destiny and future. The author discusses these topics in the book, and provides solid evidence pertaining to the early Phoenicians' link to the Extraterrestrial Gods and Ancient Aliens who descended first on Phoenicia, as well as the primordial influence the early Phoenicians had on the creation of the concept of God, Judaism, and Christianity.

YEAR 2022. Anunnaki Code: End Of The World And Their Return To Earth. (Return of the Extraterrestrial Gods) In 2 Parts

Most of the material of this book has been learned from sources that are totally out of reach for the average reader, and ufology's milieu. Some was hidden in the archives of museums, some written on tablets that have never been translated before, and some of it is oral knowledge that have never been given to a Westerner before. The author, Maximillien de Lafayette, have been so fortunate as to study with those who are the guardians of this knowledge in the East. This is the first time he is making use of this depot of knowledge, and we are very lucky to have access to it. The subjects introduced in this book are explosive. Most important is the fact that it reveals the potential return of the Anunnaki in 2022, and the most frightening transformation that it would bring to the earth. If this is going to happen, a huge number of the people on earth, those grossly contaminated by Grays' DNA, will be annihilated. You know who they are - the child murderers, the rapists, those who torture, those who abuse, etc. Yes, we all know who they are. But the Anunnaki, who have no false sentimentality at all, will not tolerate even a medium level contamination. Unless they do their best to clean themselves

during the grace period of the next eleven years, those of mid level contamination will also be destroyed. Those who would manage to clean themselves to a certain degree may possibly (but without any guarantee) be able to escape the burning, smoking earth through special portals, called Ba'abs. Only those who are naturally uncontaminated and those who managed to clean themselves completely will be taken up through an antimatter bubble, with the animals and certain important buildings and inanimate art and culture objects, and kept safe until the earth would be clean again. Such a scenario is, to say the least, disconcerting.

Even if you are not sure whether you are a believer or not, you should certainly consider the possibilities - and the book teaches you exactly how to save yourself. For those who are interested in the use of esoteric codes, they are here to learn from. Each term will teach you how to use it for your benefit, how to apply it not only to your spiritual growth, but to your business, relationships, and daily life.

You will learn how to interpret the codes in many ancient languages, how to build a physical amulet/code that will protect certain aspects of your life, and how to develop your psychic and extrasensory powers by simply using these codes.

You will learn how the Anunnaki were our original creators, who else tempered with our genetic materials, and how God factors into all this. Religion, true and false, will be explored. Jesus, who never really died on the Cross, will be shown as a historical figure, with his wife, Mary Magdalene, with whom he escaped to ancient Marseille. Who were Adam and Eve? Who was the Serpent? How do the gods of Sumer signify to us?

You will be asked to consider the old theory, now discarded, that the Anunnaki came here to mine gold. You will meet the earliest extraterrestrial-human civilization, and no, it was not Sumer. It was, believe it or not, Phoenicia! You will learn many secrets about the Anunnaki themselves - such as their extrasensory powers, their deep knowledge of genetics and science, and their unbelievably long lifespan.

Who is their God?

What kind of social classes they have?

What spiritual principles do they exercise?

And most important, what is their 2022 plan for humanity after the apocalyptic cleansing of the earth.

Babylonian, Akkadian, Sumerian, Assyrian, Chaldean, Aramaic, Phoenician, Ugaritic, Hebrew, Hittite, Arabic, etc.

Comparison with Akkadian, Sumerian, Assyrian, Arabic, Hebrew, Aramaic, Phoenician, Chaldean, Hittite, Ugaritic, Babylonian. A WORLD PREMIERE EVENT.
For the first time in philology's history, and chronicles of civilizations of the ancient world, Maximillien de Lafayette, a world renowned expert linguist (Ancient Languages) provides us with the first lexicon/thesaurus/dictionary of the Anunnaki and Ulemite languages. This book is a treasure. It consists of a set of 4 volumes. The last volume focuses on Anunnaki and Igigi language conversation. And YES you will be able to speak their terrestrial and extraterrestrials languages as spoken on Earth and their planet.
This unique work consists of definitions of words, etymology, epistemology, the study and linguistic investigation of the derivation and origin of the ancient Middle and Near East languages, Semitic and non-Semitic languages and dialects, including, but not limited to Old Babylonian, Akkadian, Sumerian, Assyrian, Chaldean, Aramaic, Phoenician, Ugaritic, Hebrew, Hittite, Arabic, etc.
Ana'kh is the language of the Anunnaki who descended on ancient Turkey, Mesopotamia, and Phoenicia according to the Ulema. It is of an extraterrestrial origin. Ulema Al Bakr stated that it was used by early the human beings who lived in ancient Anatolia, on the Island of Arwad, in Tyre, Sidon, Byblos, Ugarit, Amrit, and Mu. He added that from the Ana'kh derived the primitive languages of the Near East and the Middle East. Ana'kh was never made public.
It remained a secret language known only to the Ulema, and later on to the Allamah. It sounds Semitic, because of its phonetics. But it is "not Semitic at all", said Ulema Ghandar Gupta.
It has no grammar, but it has an extremely rich vocabulary and an abundance of metaphoric expressions.
A considerable number of Akkadian and Sumerian words that appeared in the Sumerian/Akkadian/Chaldean Epic of Creation and the Bible derived from Ana'kh.
Around 569 A.D., a group of Ulema (Munawareen) in the Near East (Non-Islamic scholars) compiled an extensive list of Ana'kh words and phrases. In 625, A.D., two leading figures of the Ulema brotherhood wrote the Book of Rama-Dosh; a compilation of Ana'kh terminology, a lexicon, and Kiraats (Readings).
Ulema AL Bakr stated that the Ulema are not member of a religious group. They are neither Muslim nor members of any organized religion. In fact, they were persecuted by the companions of the Prophet Muhammad, and were expelled from the Arab Peninsula. They found refuge in Cyprus and Marseille. But the honorable Ulema was quick to point out that the early Sufi masters, poets and Sufi trance dancers were Ulema. He added that Ulema should not be confused with the Islamic Ulema who teach Islamic law, or with the Allamah who were the leading Islamic figures of science and letters in medieval times.
Farid Tayarah, an Ulema himself, and a former head of a Masonic Lodge stated that the Ana'kh was used during Masonic sessions and services. He added that a considerable number of Masonic words and expressions are pure Ana'kh,

especially those words referring to levels and degrees in Freemasonry, and initiation ceremonies.
Many of the original words of this language, as well as numerous linguistic derivations are included in this book.
